American Book Publishing Record ,2006 *Sport, Media and Mega-Events* Lawrence A. Wenner,Andrew C. Billings,2017-03-27 Bringing together many of the most influential scholars in sport and media studies this book examines the diverse ways that media influences our understanding of the world s most important sport events dubbed sports mega events It sheds new light on how these events have been changed by the media and have in turn adapted to media to further their brand s cultural influence Focusing on the central concept of mediatization the permeation of media into all spheres of contemporary life the book presents original case studies of major events including the Olympics FIFA rugby and cricket World Cups Tour de France Super Bowl World Series Monaco Grand Prix Wimbledon and many more Written from a truly international perspective this is a seminal work in sport and media studies that reveals the growing political economic and cultural influences of sport mega events in contemporary society Sport Media and Mega Events is an essential text for any course on the sociology of sport event management sport marketing or featuring a cultural communication or media studies approach to sport Paperbound Books in Print ,1984 **The Cumulative Book Index** ,1999 El-Hi Textbooks & Serials in Print ,2003 ,2003 *El-Hi Textbooks & Serials in Print* ,2005 ,2005 **Reading Media Theory** David Maxwell Barlow,Brett Mills,2009 This unique part reader part textbook brings core primary media theory readings to the student whilst assisting them with reading understanding decoding and deconstructing the material The dual functionality of the book helps students to familiarise themselves with core texts and develop the necessary critical reading skills and confidence required to engage with the subject The text is annotated throughout and explores context content structure and writing style in order to bring theory to life for the reader The book is split into four sections namely Reading theory Key thinkers and schools Approaches and Media Theory in context This structure is adopted in order to encourage students to familiarise themselves with the material and the progressive pedagogical apparatus guides them to approach it gradually whilst developing their skill set The provision of questions to provoke further thought helps to encourage the student to read more widely around the subject and engage with core concepts of both theory and learning Ultimately the text acts as a how to read handbook for media theory and is structured so that students can learn the literature as well as learning how to approach it Mass Media James B. Martin,2002 Mass media has become an integral part of the human experience News travels around the world in a split second affecting people in other countries in untold ways Although being on top of the news may be good at least for news junkies mass media also transmits values or the lack thereof condenses complex events and thoughts to simplified sound bites and often ignores the essence of an event or story The selective bibliography gathers the books and magazine literature over the previous ten years while providing access through author title and subject indexes *The British National Bibliography* Arthur James Wells,2003 **Learning Directory** ,1970 *Books in Print* ,1994 *The Publishers' Trade List Annual* ,1985 *Journalism Quarterly* ,1974 **Mass Communication in Canada**

Rowland Lorimer, Jean McNulty, 1996 The third edition of Mass Communication in Canada greatly expanded and thoroughly rewritten and reorganized fully explores the new terrain of the mid 1990s examining in detail both the rewards and the pitfalls of changing technologies and roles It contains selections from the press and other media that bring issues to life and illustrate the workings of media communication Also included in this edition is a new glossary of terms used in the study of communication
