Palestinians In Israel

Mark LeVine, Mathias Mossberg

Palestinians In Israel:

The Palestinians in Israel Elia T. Zureik, 2023-05-03 The main focus of *The Palestinians in Israel* 1979 is the position of the Arab minority in Israel from being a majority to becoming a minority By using the framework of internal colonialism it provides evidence which highlights the social class transformations of the Palestinians in Israel from peasantry to proletariat the patterns of land alienation and the nature of inter ethnic contacts which typify Israeli Palestinian relations It looks at Arab social structure in pre 1948 Palestine discusses the Arabs as they appear in Israeli social science writings describes the transformation of Arab class structure in Israel and considers the politicization of Israeli Arabs **Citizens Apart** Amina Minns, Nadia Hijab, 1990 *Palestinians in Israel* As'ad Ganim, Mohanad Mustafa, 2018-11 Examining the emergence of a new generation of Palestinians in Israel and their political social and religious transformations and empowerment *The Forgotten Palestinians* Ilan Pappé, 2011-06-28 For more than 60 years hundreds of thousands of Palestinians have lived as Israeli citizens within the borders of the nation formed at the end of the 1948 conflict Occupying a precarious middle ground between the Jewish citizens of Israel and the dispossessed Palestinians of the West Bank and the Gaza Strip the Israeli Palestinians have developed an exceedingly complex relationship with the land they call home however in the innumerable discussions of the Israel Palestine problem their experiences are often overlooked and forgotten In this book historian Ilan Pappé examines how Israeli Palestinians have fared under Jewish rule and what their lives tell us about both Israel's attitude toward minorities and Palestinians attitudes toward the Jewish state Drawing upon significant archival and interview material Pappé analyzes the Israeli state's policy towards its Palestinian citizens finding discrimination in matters of housing education and civil rights Rigorously researched yet highly readable *The Forgotten Palestinians* brings a new and much needed perspective to the Israel Palestine debate *Displaced at Home* Rhoda Ann Kanaaneh, Isis Nusair, 2010-10-01 Groundbreaking essays by Palestinian women scholars on the lives of Palestinians within the state of Israel Most media coverage and research on the experience of Palestinians focuses on those living in the West Bank or the Gaza Strip while the sizable number of Palestinians living within Israel rarely garners significant academic or media attention Offering a rich and multidimensional portrait of the lived realities of Palestinians within the state of Israel *Displaced at Home* gathers a group of Palestinian women scholars who present unflinching critiques of the complexities and challenges inherent in the lives of this understudied but important minority within Israel The essays here engage topics ranging from internal refugees and historical memory to women's sexuality and the resistant possibilities of hip hop culture among young Palestinians Unique in the collection is sustained attention to gender concerns which have tended to be subordinated to questions of nationalism statehood and citizenship The first collection of its kind in English *Displaced at Home* presents on the ground examples of the changing political social and economic conditions of Palestinians in Israel and examines how global national and local concerns intersect and shape their daily lives the volume is distinctive in bringing together the historical and the

contemporary the dramatic and the mundane In their combination of empirical innovation and theoretical sophistication these chapters and the volume as a whole make an important contribution to the academic scholarship of and about the Palestinians Review of Middle East Studies By intertwining the themes of ethnicity and gender Displaced at Home breaks new ground presenting a counter narrative to studies that posit the Palestinian citizens of Israel only as manipulated and victimised as well as to Palestinian nationalist histories which present society as monolithic The fact that all twelve contributors are Palestinian women citizens of Israel gives their research an immediacy and authenticity that make the book engrossing as well as highly informative Jordan Times Informative insightful and thought provoking Mary N Layoun author of Wedded to the Land Gender Boundaries and Nationalism in Crisis This groundbreaking book helps to fill a huge gap in research on Palestinians in Israel Amal Amireh author of The Factory Girl and the Seamstress Imagining Gender and Class in Nineteenth Century American Fiction *Stateless Citizenship* Shourideh C. Molavi, 2013-06-28 In *Stateless Citizenship* Shourideh C Molavi examines the mechanisms of exclusion of Palestinian citizens in the Zionist incorporation regime and centres our analytical gaze on the paradox that it is through the provision of Israeli citizenship that Palestinians are deemed stateless *1948 and After* Benny Morris, 1990 These essays by a leading Israeli new historian focus on Israeli decisions and the reasons behind the mass Arab exile from Palestine in 1948 Morris addresses the transfer of Majdal s Arabs to Gaza in 1950 the initial absorption of the Palestinian refugees in Arab host countries in 1948 9 and why some Arabs remained in their villages He then explores attitudes toward the Palestinian Arabs from the 1948 war to the differing perspectives of Israel s two main parties By examining past and present Israeli historiography Morris identifies and analyzes the major points of controversy between the old official Israeli histories and the new histories of the 1980s **Israel and its Palestinian Citizens** Nadim N. Rouhana, 2017-01-30 This volume presents new perspectives on Israeli society Palestinian society and the Israeli Palestinian conflict Based on historical foundations it examines how Israel institutionalizes ethnic privileging among its nationally diverse citizens Arab Israeli and American contributors discuss the paradoxes of democratic claims in ethnic states as well as dynamics of social conflict in the absence of equality This book advances a new understanding of Israel s approach to the Palestinian citizens covers the broadest range of areas in which Jews and Arabs are institutionally differentiated along ethnic basis and explicates the psychopolitical foundations of ethnic privileges It will appeal to students and scholars who seek broader views on Israeli society and its relationship with the Arab citizens and want to learn more about the status of the Palestinian citizens in Israel and their collective experience as both citizens and settler colonial subjects Palestinians in Israel Ben White, 2011-12-05 *Palestinians in Israel* considers a key issue ignored by the official peace process and most mainstream commentators that of the growing Palestinian minority within Israel itself What the Israeli right wing calls the demographic problem Ben White identifies as the democratic problem which goes to the heart of the conflict Israel defines itself not as a state of its citizens but as a Jewish state despite the substantial and increasing

Palestinian population White demonstrates how the consistent emphasis on privileging one ethno religious group over another cannot be seen as compatible with democratic values and that unless addressed will undermine any attempts to find a lasting peace Individual case studies are used to complement this deeply informed study into the great unspoken contradiction of Israeli democracy It is a pioneering contribution which will spark debate amongst all those concerned with a resolution to the Israel Palestine conflict *Palestinians* Baruch Kimmerling, Joel S. Migdal, 1993 Recent events have dealt the Palestinians a series of major blows that have discredited their leaders and apparently sidelined their cause in the shifting sands of Middle Eastern politics But as the authors argue the Palestinians may have reached a breakthrough in their long standing impasse with Israel as a new generation of leaders may be willing to abandon anti Zionism **Israel's Palestinians** Ilan Peleg, Dov Waxman, 2011-06-06 Arguing that a comprehensive and lasting solution to the Israeli Palestinian conflict depends on a resolution of the Jewish Palestinian conflict within Israel as much as it does on resolving the conflict between Israel and Palestinians in the Occupied Territories this timely book explores the causes and consequences of the growing conflict between Israel's Jewish majority and its Palestinian Arab minority It warns that if Jewish Arab relations in Israel continue to deteriorate this will pose a serious threat to the stability of Israel to the quality of Israeli democracy and to the potential for peace in the Middle East The book examines the views and attitudes of both the Palestinian minority and the Jewish majority as well as the Israeli state's historic approach to its Arab citizens Drawing upon the experience of other states with national minorities the authors put forward specific proposals for safeguarding and enhancing the rights of the Palestinian minority while maintaining the country's Jewish identity **Palestine and Israel** David McDowall, 1989 In this book David MacDowall looks at the recent uprising in a long term perspective He examines in detail the historical social and political background to this important development and asks how it has affected the Arab Israeli conflict He discusses the impact of external intervention in the region the failure of the peace initiatives the troubled history of Jordan with the Palestinians since 1948 and the problem of the 2 million Palestinian refugees But he focuses on the experiences of the communities in the front line of the dispute the Arabs and Jews of the occupied territories and Israel Israel, the Palestinians, and the West Bank Shmuel Sandler, Hillel Frisch, 1984 Analysis of political problems and social conflict in the community relations between Palestinians and Israelis in the West Bank Israeli administered territory since 1967 outlines relevant political theories and historical origins of the conflict partic The partition of Palestine examines the role of Jordan 1948 1967 the area's economic growth and political development the role of the PLO national liberation movement Israel's changing political ideology emphasis on West Bank human settlement and the war in Lebanon Bibliography statistical tables **Palestinians and Israel** Yehoshafat Harkabi, The Israeli Palestinians Alexander Bligh, 2003-05-01 One of the most crucial issues to affect national policy in the state of Israel is that of relations between its Jewish and Arab citizens This edited collection offers a comprehensive analysis of the most significant factors to have contributed to current conditions

Palestinian Commemoration in Israel Tamir Sorek, 2015-05-06 Collective memory transforms historical events into political myths In this book Tamir Sorek considers the development of collective memory and national commemoration among the Palestinian citizens of Israel He charts the popular politicization of four key events the Nakba the 1956 Kafr Qasim Massacre the 1976 Land Day and the October 2000 killing of twelve Palestinian citizens in Israel and investigates a range of commemorative sites including memorial rallies monuments poetry the education system political summer camps and individual historical remembrance These sites have become battlefields between diverse social forces and actors including Arab political parties the Israeli government and security services local authorities grassroots organizations journalists and artists over representations of the past Palestinian commemorations are uniquely tied to Palestinian encounters with the Israeli state apparatus with Jewish Israeli citizens of Israel and by their position as Israeli citizens themselves Reflecting longstanding tensions between Palestinian citizens and the Israeli state as well as growing pressures across Palestinian societies within and beyond Israel these moments of commemoration distinguish Palestinian citizens not only from Jewish citizens but from Palestinians elsewhere Ultimately Sorek shows that Palestinian citizens have developed commemorations and a collective memory that offers both moments of protest and points of dialogue that is both cautious and circuitous

Two Peoples...One Land Daniel J. Elazar, 1991-07-11 For over a decade the Jerusalem Center for Public Affairs has been exploring federal solutions for Israel the Palestinians and Jordan as the only way out of the Middle East conflict In this volume edited by renowned scholar Daniel J Elazar eleven separate options are presented and extensively explored and a path is suggested for bringing peace to Israel and the Middle East The work is a must read for anyone interested in this ever growing focal point of international debate and conflict Co published with the Jerusalem Center for Public Affairs

Palestinians Between Israel and Jordan Raphael Israeli, 1991-06-19 Positing that the Palestinians are a unit mainly triangled between Israel the Territories and Jordan and that the territory in dispute encompasses the whole of British Mandate Palestine Raphael Israeli gives an overview of the roots and historical development of the problem He then analyzes and discusses in depth all the solutions envisioned so far status quo Jordanization of Palestine Palestinization of Jordan annexation territorial compromise autonomy and transfer of population focusing on the reasons for their failure and or unacceptability Professor Israeli challenges conventional wisdom and comes up with a workable answer that could square the triangle The solution based on mutual recognition and respect is premised on a rigorous and fair parallelism between the claims and rights of both parties Israelis and Palestinians This means that Jews as well as Palestinians should be recognized as a people and not only a religion by their adversaries equally entitled to self determination to their national liberation movements Zionism in the case of the Jews and to the territory in dispute i e the whole of Mandate Palestine These premises being accepted the problem now reduced to a quantitative and therefore negotiable one will be to divide the land at stake into a State of Palestine east and Israel west Having thus tried to meet the contradictory needs of both parties Israeli comes

up with a novel and imaginative solution embodying a new concept of sovereignty that could well serve as a model elsewhere to the problem of minorities left in Israel or Palestine. It rests on the possibility of opting for one of two statuses in each country: that of full citizen with all the rights and obligations citizenship creates or that of resident alien with all the rights and protection as well as inherent limitations that this status brings. The adoption of this unique solution would open up many possibilities for cooperation and peace in the Middle East.

The Palestinian-Arab Minority in Israel, 1948-2000 As'ad Ghanem, 2012-02-01. 2001 CHOICE Outstanding Academic Title. As'ad Ghanem provides a comprehensive description of the political development of the Palestinian Arab minority in Israel and also discusses their social, cultural, and economic experiences. Covering two main aspects of politics: the different manifestations of politics and the dilemmas created by these politics, he presents the predicament of the Palestinian Arab minority in Israel, which derives from the ethnic character of the State of Israel and their isolation from other Palestinians, and proposes the Israeli-Palestinian bi-national state as a suitable resolution not only for this problem but also for the main Palestinian-Israeli conflict.

One Land, Two States Mark LeVine, Mathias Mossberg, 2014-06-20. *One Land Two States* imagines a new vision for Israel and Palestine in a situation where the peace process has failed to deliver an end of conflict. If the land cannot be shared by geographical division and if a one-state solution remains unacceptable, the book asks: can the land be shared in some other way? Leading Palestinian and Israeli experts, along with international diplomats and scholars, answer this timely question by examining a scenario with two parallel state structures, both covering the whole territory between the Mediterranean and the Jordan River, allowing for shared rather than competing claims of sovereignty. Such a political architecture would radically transform the nature and stakes of the Israel-Palestine conflict, open up for Israelis to remain in the West Bank and maintain their security position, enable Palestinians to settle in all of historic Palestine and transform Jerusalem into a capital for both of full equality and independence, all without disturbing the demographic balance of each state. Exploring themes of security, resistance, diaspora, globalism, and religion, as well as forms of political and economic power that are not dependent on claims of exclusive territorial sovereignty, this pioneering book offers new ideas for the resolution of conflicts worldwide.

Whispering the Secrets of Language: An Psychological Quest through **Palestinians In Israel**

In a digitally-driven earth wherever monitors reign supreme and quick transmission drowns out the subtleties of language, the profound strategies and psychological nuances hidden within phrases usually go unheard. Yet, nestled within the pages of **Palestinians In Israel** a interesting literary prize blinking with raw emotions, lies a fantastic quest waiting to be undertaken. Penned by an experienced wordsmith, this charming opus encourages visitors on an introspective trip, lightly unraveling the veiled truths and profound impact resonating within the very cloth of each word. Within the psychological depths of the touching review, we shall embark upon a heartfelt exploration of the book is primary themes, dissect its interesting writing style, and fail to the effective resonance it evokes heavy within the recesses of readers hearts.

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Palestinians In Israel eBooks, including some popular titles.

FAQs About Palestinians In Israel Books

What is a Palestinians In Israel PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Palestinians In Israel PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Palestinians In Israel PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Palestinians In Israel PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Palestinians In Israel PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
