David McDowall

Palestinians And Israel:

The Israel-Palestine Conflict Neil Caplan, 2011-09-19 The Israel Palestine Conflict Contested Histories provides non specialist readers with an introduction and historical overview of the issues that have characterized and defined 130 years of the still unresolved Israeli Palestinian conflict Provides a fresh attempt to break away from polemical approaches that have undermined academic discussion and political debates Focuses on a series of core arguments that the author considers essentially unwinnable Introduces readers to the major historiographical debates sparked by the dispute Encourages readers to consider more useful ways of explaining and understanding the conflict and to go beyond trying to prove who is right and wrong This volume suggests a fresh and original interpretation to the history of the Arab Israeli conflict Caplan juggles skillfully and even handedly between the two narratives reflecting the parties own views without embracing the cause of any party Joseph Nevo University of Haifa An impressive and very valuable work One could not ask for a better short history of the conflict Caplan offers readers a study that is extremely well informed resolutely fair minded and filled with thoughtful insights Mark Tessler University of Michigan

One Land, Two States Mark LeVine, Mathias Mossberg, 2014-06-20 One Land Two States imagines a new vision for Israel and Palestine in a situation where the peace process has failed to deliver an end of conflict If the land cannot be shared by geographical division and if a one state solution remains unacceptable the book asks can the land be shared in some other way Leading Palestinian and Israeli experts along with international diplomats and scholars answer this timely question by examining a scenario with two parallel state structures both covering the whole territory between the Mediterranean and the Jordan River allowing for shared rather than competing claims of sovereignty Such a political architecture would radically transform the nature and stakes of the Israel Palestine conflict open up for Israelis to remain in the West Bank and maintain their security position enable Palestinians to settle in all of historic Palestine and transform Jerusalem into a capital for both of full equality and independence all without disturbing the demographic balance of each state Exploring themes of security resistance diaspora globalism and religion as well as forms of political and economic power that are not dependent on claims of exclusive territorial sovereignty this pioneering book offers new ideas for the resolution of conflicts worldwide

One Country Ali Abunimah, 2007-08-21 A provocative approach to the Israeli Palestinian conflict one state for two peoples that is sure to touch nerves on all sides The Israeli Palestinian war has been called the world s most intractable conflict It is by now a commonplace that the only way to end the violence is to divide the territory in two and all efforts at a resolution have come down to haggling over who gets what Will Israel hand over 90 percent of the West Bank or only 60 percent Will a Palestinian state include any part of Jerusalem Clear eyed sharply reasoned and compassionate One Country proposes a radical alternative to revive an old and neglected idea of one state shared by two peoples Ali Abunimah shows how the two are by now so intertwined geographically and economically that separation cannot lead to the security Israelis need or the rights Palestinians must have He reveals the bankruptcy of the two

state approach takes on the objections and taboos that stand in the way of a binational solution and demonstrates that sharing the territory will bring benefits for all The absence of other workable options has only lead to ever greater extremism it is time Abunimah suggests for Palestinians and Israelis to imagine a different future and a different relationship

Palestine and Israel David McDowall,1989 In this book David MacDowall looks at the recent uprising in a long term perspective He examines in detail the historical social and political background to this important development and asks how it has affected the Arab Israeli conflict He discusses the impact of external intervention in the region the failure of the peace initiatives the troubled history of Jordan with the Palestinians since 1948 and the problem of the 2 million Palestinian refugees But he focuses on the experiences of the communities in the front line of the dispute the Arabs and Jews of the occupied territories and Israel

Image and Reality of the Israel-Palestine Conflict Norman G. Finkelstein,2015-09-15 First published in 1995 this acclaimed study challenges generally accepted truths of the Israel Palestine conflict as well as much of the revisionist literature This new edition critically reexamines dominant popular and scholarly images in the light of the current failures of the peace process

The Palestine-Israel Conflict Gregory Harms,Todd M Ferry,2012-06-14 The Palestine Israel conflict is the most notorious and ingrained conflict of the twentieth and now twenty first century Yet the way it is reported in the media is often confusing leading many to assume the hostilities stretch back to an ancient period The Palestine Israel Conflict is the first book to provide a clear accessible and annotated introduction that covers the full history of the region from Biblical times until today Perfect for the general reader as well as students it offers a comprehensive yet lucid rendering of the conflict setting it in its proper historical context Harms and Ferry show how today s violence is very much a product of recent history with its roots in the twentieth century This balanced account is now fully up to date including the ongoing situation in Gaza making it a valuable resource for anyone who wants a clear guide to the conflict between Israel and the Palestinian territories and its place in the history of Middle Eastern affairs

The Israeli-Palestinian Conflict Dov Waxman,2019-04-01 No conflict in the world has lasted as long generated as many news headlines or incited as much controversy as the Israeli Palestinian conflict Yet despite or perhaps because of the degree of international attention it receives the conflict is still widely misunderstood While Israelis and Palestinians and their respective supporters trade accusations many outside observers remain confused by the conflict s complexity and perplexed by the passion it arouses The Israeli Palestinian Conflict What Everyone Needs to Know offers an even handed and judicious guide to the world s most intractable dispute Writing in an engaging jargon free Q A format Dov Waxman provides clear and concise answers to common questions from the most basic to the most contentious Covering the conflict from its nineteenth century origins to the latest developments of the twenty first century this book explains the key events examines the core issues and presents the competing claims and narratives of both sides Readers will learn what the Israeli Palestinian conflict is all about how it has evolved over time and why it continues to defy diplomatic efforts at a resolution

The Israel-Palestine Conflict

Elizabeth Matthews,2011-03-21 The conflict between the Israelis and the Palestinians is considered intractable by many and is frequently characterised by the violence between the two sides In attempts at peace the starting point for negotiations is a cessation of violence beneath this however lies a plethora of other issues to be addressed This unique text brings together Israeli and Palestinian viewpoints on a number of key issues and topics making clear the points of agreement as well as the views that divide The chapters deal first with three issues that require compromise and resolution for a peace treaty to be realized water refugees and borders territory and settlements and then with three important concepts that can either impede or promote peace democracy human rights and peace culture and education Thus the book provides an invaluable opportunity to understand at least in part the divergent and even convergent interests and understandings of Israelis and Palestinians on issues and concepts important to the peace process As such it will be a valuable resource for courses on conflict resolution the Middle East peace process and political science Understanding the Palestinian-Israeli Conflict

Phyllis Bennis,2012-12-28 If you have ever wondered Why is there so much violence in the Middle East Who are the Palestinians What are the occupied territories or What does Israel want then this is the book for you With straightforward language Phyllis Bennis longtime analyst of the region answers basic questions about Israel and Israelis Palestine and Palestinians the US and the Middle East Zionism and anti Semitism about complex issues ranging from the Oslo peace process to the election of Hamas to the Goldstone Report and the Palestinians UN initiatives Together her answers provide a comprehensive understanding of the longstanding Palestinian Israeli conflict This new edition includes sections on the continuing settlement crisis the UN statehood bid and UNESCO Palestine in the Arab Spring BDS and the Palestinian nonviolent movements the Israeli elections and what s ahead Sections include The Crisis The Other Players The Role of the US the UN the Arab States and Europe Recent History Rising Violence Looking Backward 1900 1991 The Future *A Very Short History of the Israel-Palestine Conflict* Ilan Pappé,2024-10-03 An indispensable guide to understanding the Israel Palestine conflict and how we might yet still find a way out of it Ilan Pappé is the most original radical and hard hitting of Israel s new historians Avi Shlaim author of Three Worlds The devastation of 7 October 2023 and the horrors that followed astounded the world But the Israel Palestine conflict didn t start on 7 October It didn t start in 1967 either when Israel occupied the West Bank or in 1948 when the state of Israel was declared It started in 1882 when the first Zionist settlers arrived in what was then Ottoman Palestine Ilan Pappé untangles the history of two peoples now sharing one land Going back to the founding fathers of Zionism Pappé expertly takes us through the twists and turns of international policy towards Israel Palestine Palestinian resistance to occupation and the changes taking place in Israel itself The Palestinian-Israeli Conflict: A Very Short Introduction Martin Bunton,2013-08-29 The conflict between Palestine and Israel is one of the most highly publicized and bitter struggles in history In this accessible and stimulating Very Short Introduction Martin Bunton clearly explains the history of the problem reducing it to its very essence a modern territorial contest between two nations

and one geographical territory Adopting a fresh and original approach each section covers a twenty year span to highlight the historical complexity of the conflict throughout successive decades Each chapter starts with an examination of the relationships among people and events that marked particular years as historical moments in the evolution of the conflict including the 1897 Basle Congress the 1917 Balfour Declaration and British occupation of Palestine and the 1947 UN Partition Plan and the war for Palestine Providing a clear and fair exploration of the main issues Bunton explores not only the historical basis of the conflict but also looks at how and why partition has been so difficult and how efforts to restore peace continue today ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

Palestinians in Israel Ben White, 2011-12-05 *Palestinians in Israel* considers a key issue ignored by the official peace process and most mainstream commentators that of the growing Palestinian minority within Israel itself What the Israeli right wing calls the demographic problem Ben White identifies as the democratic problem which goes to the heart of the conflict Israel defines itself not as a state of its citizens but as a Jewish state despite the substantial and increasing Palestinian population White demonstrates how the consistent emphasis on privileging one ethno religious group over another cannot be seen as compatible with democratic values and that unless addressed will undermine any attempts to find a lasting peace Individual case studies are used to complement this deeply informed study into the great unspoken contradiction of Israeli democracy It is a pioneering contribution which will spark debate amongst all those concerned with a resolution to the Israel Palestine conflict

A History of the Israeli-Palestinian Conflict Mark A. Tessler, 1994 Mark Tessler's highly praised comprehensive and balanced history of the Israeli Palestinian conflict from the earliest times to the present updated to the first decade of the twenty first century provides a constructive framework for understanding recent developments and assessing the prospects for future peace New chapters elucidate the Oslo peace process including the reasons for its failure and the political dynamics in Israel the West Bank and Gaza at a critical time of transition Jacket

Palestine and Israel John B. Quigley, 1990 The dispute over Palestine between the Palestinian Arabs and the Israelis is one of the most volatile and intractable conflicts in the world today Palestine and Israel examines the history of this battle from the perspective of international law and it argues that a long term solution to the conflict must protect legitimate interests to remain viable an element the author believes has so far been seriously neglected This extensively documented work details the complex politics and agonizing struggles that have characterized the clash between Jews and Arabs examining in depth the competing claims to Palestine and the extent to which legitimate interests remain to be fulfilled Beginning with the early Zionist settlement in Palestine that rose from the effort by Jews to escape long standing discrimination in Europe Qigley investigates the origins of the dispute including the British occupation of Palestine the

British Mandate and the involvement of the United Nations He examines the 1948 War the establishment of Israel and explores the legal and political status of Jews there After a detailed analysis of the 1967 War and Israel's occupation of the West Bank and Gaza Strip he concludes with recommendations for resolving the conflict including discussions of the responsibility of other states for the persisting injustice the role of other states in settling the dispute and steps to a possible solution

Understanding Israel/Palestine Eve Spangler, 2015-06-28 The Israeli Palestinian conflict is the longest ongoing hot and cold war of the 20th and 21st centuries It has produced more refugees than any current conflict generating fully one quarter of all refugees worldwide Everyone knows that the Palestinian Israeli conflict is important itself and is also fueling tensions throughout the Middle East Yet most people shy away from this conflict claiming it is just too complicated to understand This book is written for people who want a point of entry into the conversation It offers both a historic and analytic framework Readers whether acting as students parishioners neighbors voters or dinner guests will find in these pages an analysis of the most commonly heard Israeli positions and a succinct account of the Palestinian voices we seldom hear I argue that human rights standards have never been used as the basis on which the Israeli Palestinian conflict should be resolved and that only these standards can produce a just and sustainable resolution This book will be useful for classes in Middle East studies peace and conflict studies Middle East history sociology of race and political science It can be helpful for church groups labor groups or other grass roots organizations committed to social justice and for all readers who wish to be informed about this important topic Professor Spangler's quest for historical and political understanding takes us on a brave and intimate journey into the consequences of Jewish privilege and Jewish victimhood the agendas of imperial superpowers and the Palestinian struggle for self determination Alice Rothchild MD author of *Broken Promises Broken Dreams Stories of Jewish and Palestinian Trauma and Resilience* and producer and director of documentary film *Voices Across the Divide* A sharp poignant well documented dossier that provides readers with all the most needed facts to grasp the conflict and get involved Sam Bahour co editor of *Homeland Oral Histories of Palestine and Palestinians* and business development consultant and activist based in Palestine This one is exceptional It recounts a historical tale it provides theoretical underpinnings it does comparative work it examines all the details and aspects of ongoing debates and it brings all to life with real life stories the wonder of this book is its insistence on hope not a naive idealistic hope but one accompanied by a tool box for concrete action that might right the wrongs of this tragic tale Anat Biletzki Professor of Philosophy Tel Aviv University and Albert Schweitzer Professor of Philosophy Quinnipiac University Chairperson of B'Tselem 2001 2006 Eve Spangler is a sociologist and a human and civil rights activist For the last decade her work has focused on the Israel Palestine conflict she argues that human rights are the neglected standards that could lead to a just and sustainable solution

Struggle and Survival in Palestine/Israel Mark LeVine, Gershon Shafir, 2012-09-01 This wonderful volume illuminates the human dimensions of the complex and often painful history of modern Palestine Israel by vividly relating the life stories of

a variety of individuals and exploring how their experiences have been profoundly shaped by the recurrent struggles over this land It highlights the importance of human agency in shaping history but also the impact of historical events and processes on individuals life choices This book is not only a valuable resource for teaching but is also of great value to anyone interested in the Israeli Palestinian conflict and in the perspectives and destinies of those who have lived in its shadows Zachary Lockman New York University This book is a welcome and essential addition to the extensive literature on the conflict in Israel Palestine that tends to overlook the individual and their personal experiences It is through these personal stories that one best appreciates the complex realities of this land Each of the powerful narratives chosen by the contributors to this valuable volume is like a microcosmos that teaches us about the diverse realities in Israel and Palestine as a whole This is a refreshing and original contribution to a field of inquiry that is craving for such a novel approach Ilan Papp author of *The Rise and Fall of a Palestinian Dynasty* John B. Quigley, 2005 John Quigley brings a necessary international law perspective to bear on the seemingly intractable Israeli Palestinian conflict in this updated edition of his important book Since 2000 the cycle of bloodshed and retribution has spiraled increasingly out of control Quigley attributes the breakdown of negotiations in 2000 to Israel s unwillingness to negotiate on the basis of principles of justice and law He argues that throughout the last century established tenets of international law and particularly the right of self determination have been overlooked or ignored in favor of the Zionists and then the Israelis to the detriment of the Palestinians In this volume Quigley provides a thorough understanding of both sides of the conflict in the context of international law He contends that the Palestinians have a stronger legal claim to Jerusalem than do the Israelis that Palestinian refugees should be repatriated to areas including those within the borders of Israel and that Israel should withdraw from the territory it occupied in 1967 As in his earlier volume Quigley provides an extensively documented evaluation of the conflict over the last century discussing the Zionist movement the League of Nations decision to promote a Jewish homeland in Palestine the 1948 war and creation of Israel and Israel s occupation of the West Bank Gaza Strip and Golan Heights during the 1967 war

The Israeli-Palestinian Conflict Cory Gideon Gunderson, 2004 Provides background information on the conflict between Jews and Palestinians that has lasted from Biblical times to the present **Israel, Palestine and Peace** Amos Oz, 1995-09-04 Powerful essays from a founder of the Peace Now movement and advocate for a two state solution Library Journal The haunting poetry of Oz s prose and the stunning logic of his testimony make a potent mixture Washington Post Book World Amos Oz was one of the first voices of conscience to advocate for a two state solution As a founding member of the Peace Now movement Oz has spent over thirty five years speaking out on this issue and these powerful essays and speeches span an important and formative period for understanding today s tension and crises Whether he is discoursing on the role of writers in society or recalling his grandmother s death in the context of the language s veracity examining the Israeli Palestinian conflict as a tragicomedy or questioning the Zionist dream Oz remains trenchant and unflinching in this

moving portrait of a divided land Oz is the modern prophet of Israel Sunday Telegraph UK [Imperial Israel and the Palestinians](#) Nur Masalha, 2000-07-20 A critical history of Israel s expansionist politics that reveals how imperialist tendencies run the gamut from Left to Right

The Top Books of the Year Palestinians And Israel The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have enthralled audiences this year. Palestinians And Israel : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.

Palestinians And Israel Introduction

In the digital age, access to information has become easier than ever before. The ability to download Palestinians And Israel has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Palestinians And Israel has opened up a world of possibilities. Downloading Palestinians And Israel provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources

on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Palestinians And Israel has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Palestinians And Israel. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Palestinians And Israel. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Palestinians And Israel, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Palestinians And Israel has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Palestinians And Israel Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital

eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Palestinians And Israel is one of the best book in our library for free trial. We provide copy of Palestinians And Israel in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Palestinians And Israel. Where to download Palestinians And Israel online for free? Are you looking for Palestinians And Israel PDF? This is definitely going to save you time and cash in something you should think about.
