Game of Shadows Amanda K. Byrne, 2016-07-05 The girl next door just got deadly On the outside Cass Turner looks like any other beautiful California college girl But besides studying at UCLA she s hiding a shocking secret she s a highly trained assassin with multiple kills under her belt After a year spent avoiding the family business she takes what she hopes will be her final job and winds up saving her target s life and getting way more than she bargained for As a lieutenant in LA s largest crime family Dominic Kosta is determined to find out who wants him dead and he s convinced Cass can help him But the longer they search for the truth the more questions arise and the deeper their attraction grows Nick has his own reasons for wanting to resist Cass but it s a losing battle And together they re free of secrets and lies Still getting involved with Nick has put a target on Cass back and in this game it s either kill or be killed *Game of Vengeance* Amanda K. Byrne, 2016-10-25 An eye for an eye blood for blood UCLA student Cass Turner was hoping to move on from the family business but when the business is professional assassination that s easier said than done And sleeping with the man she was supposed to kill only complicates things Her relationship with Nick Kosta a lieutenant in LA s largest crime family was supposed to be no strings attached fun But if the two of them want to stay alive they ll have to keep each other close Nick s traitorous cousin Isaiah is out for blood so Cass can t afford any distractions as they try to hunt him down Yet she can t help puzzling over Nick s motives does he really share her deepening feelings or does he just feel responsible for her And if their relationship is for real will they even have a future Because with their enemies several steps ahead of them one false move could bring disaster for everyone Cass holds dear and in this game of cat and mouse no one will leave unscathed Byrne has created a heroine who is wise enough to know her own mind and strong enough to stand up for herself Those willing to enter this world of high stakes violence and unique morality will be rewarded RT Book Reviews 4 Stars **A Right to Life** Tom O'Keefe, 2005-11-28 While sitting in the hallway outside of his first grade classroom young Bobby Dorsey overhears his teacher reporting his misbehavior to his mother Margaret through a vent in the classroom door He is shocked when he hears his mother tearfully confess that he is the unexpected result of a high school affair that she never intended to have a child and that he would have been aborted if not for the intervention of his grandmother a devout Southern Baptist and her pastor The unexpected and unwanted birth of Bobby causes Margaret to feel she was robbed of the fun of her high school years Driven to complete her lost adolescence she exposes Bobby to a string of boyfriends with whom she often has a sexual relationship Bobby becomes aware of those relationships at far too early an age for him to understand what is going on Some of Margarets boyfriends are cruel and abusive to Bobby This coupled with his mothers indifference eventually leads him to feel an outsider in his own home in the small East Texas town of Purvis His mothers preoccupation with her own life and lack of concern for him causes Bobby to become increasingly curious about his absent father who he learns is managing a motel in Chattanooga Tennessee The more Bobby learns about his father the more his fantasies about him grow He wonders if he might find the love and

acceptance with him that he had not found living with his mother Therefore at ten years of age Bobby concludes that Purvis is not a good place for him to be and that he needs to go live with his father in Chattanooga So begins a modern Huckleberry Finn tale filled with adventure and intrigue as Bobby embarks on an almost nine hundred mile journey from Texas to Tennessee He encounters fascinating people and has several narrow escapes from busybodies who want to take over his problem and solve it for him Enough people had judged and condemned him Enough had screwed up his life in Purvis He wants nothing further to do with the likes of them His life is now in his own hands until he reaches his father whom he is convinced will be the answer to all his problems Does Bobby reach his father without experiencing more abuse Would his father be able to provide him the love and support he never found in Purvis Does Bobby take the damage from his childhood abuse along with him This novel deals both dramatically and spiritually with the following current hot topics The abortion issue childhood physical emotional and sexual abuse and prejudice including homophobia It illustrates how one generations abused become the next generations abusers It drives home the point that a persons RIGHT TO LIFE is far more than a mere right to birth showing that love compassion understanding and forgiveness are also basic human rights that deserve the same impassioned advocacy seen among current anti abortionists
