## Panum Poems:

**The Panum Poems** Heather Spears,1996 The Panum Poems is a unique volume combining illustrations and poetry on the subject of the facial muscles that give each of us expression The poems trace the same lines as the drawings do and the drawings are poems that seek to communicate with a graphic and not a verbal line   **The Poems of Optatian** Linda Jones Hall,2024-01-11 For the first time the poems and accompanying letters of Publilius Optatianus Porfyrius Optatian are published here with a translation and detailed commentary along with a full introduction to Optatian s work during this period Optatian was sent into exile by Constantine sometime after the Emperor s ascent to power in Rome in 312 AD Hoping to receive pardon Optatian sent a gift of probably twenty design poems to Constantine around the time of the ruler s twentieth anniversary 325 326 AD To enable the reader to experience the multiple messages of the poems the Latin text is presented near the English translation with any related design close by Some poems laid out on a grid of up to 35 letters across and down have an interwoven poem marking key letters in the primary poem thereby revealing a highlighted image Some designs include the Chi Rho or numerals created from V s and X s to mark imperial anniversaries Other previously unrecognised designs seem to represent senatorial imperial military or bureaucratic motifs or to derive from coin images Shape poems representing a water organ an altar and a panpipe reveal their relevance immediately The introduction and commentary elucidate literary allusions from over 100 authors lines from Vergil Ovid Lucan Silius Italicus Statius and lesser known writers abound and mythological references mostly to the Muses and Apollo Optatian s prestige as an official in both Greece and Rome is well attested these poems mark Optatian as a fascinating writer of his time holding onto the classical past while acknowledging Christian symbolism   **The Flourish** Heather Spears,2003 With amazing authenticity the novel gives voice to Chattie Miss Charlotte Spears of Annville a music teacher and composer torn by duty and desire Part historical fiction part murder mystery The Flourish brings to life an independent woman s adventures beside the River Clyde in the late 19th century
