collaboration with fellow performance artist Ulay much of which was spent penniless in a van traveling across Europe a relationship that began to unravel and came to a dramatic end atop the Great Wall of China Marina's story by turns moving epic and dryly funny informs an incomparable artistic career that involves pushing her body past the limits of fear pain exhaustion and danger in an uncompromising quest for emotional and spiritual transformation A remarkable work of performance in its own right *Walk Through Walls* is a vivid and powerful rendering of the unparalleled life of an extraordinary artist
