

*I'll get you, Celia. You kill me
and I'll come back as your worst nightmare.
I'll get you and I'll get your kids, too.
I'll get you, Celia. I'll get you ...*

No one heard the gunshots. Just as no one ever heard Celia's screams or those of her children for all these years. But in the isolation of the Florida swamps, Celia had silenced her cruel husband forever.

Or so she had thought.

Now, Celia and her three children are on the run. Relying on an underground network of helping families, Celia is heading for northern California and a brand new life.

But someone is following Celia. Someone who knows her every secret destination. And who intends to keep his promise.
