Papuan Achievement:

Mathematics Education in a Neocolonial Country: The Case of Papua New Guinea Patricia Paraide, Kay Owens, Charly Muke, Philip Clarkson, Christopher Owens, 2023-01-10 Most education research is undertaken in western developed countries While some research from developing countries does make it into research journals from time to time but these articles only emphasize the rarity of research in developing countries The proposed book is unique in that it will cover education in Papua New Guinea over the millennia Papua New Guinea's multicultural society with relatively recent contact with Europe and the Middle East provides a cameo of the development of education in a country with both a colonial history and a coup less transition to independence Discussion will focus on specific areas of mathematics education that have been impacted by policies research circumstances and other influences with particular emphasis on pressures on education in the last one and half centuries This volume will be one of the few records of this kind in the education research literature as an in depth record and critique of how school mathematics has been grown in Papua New Guinea from the late 1800s and should be a useful addition to graduate programs mathematics education courses history of mathematics as well as the interdisciplinary fields of cross cultural studies scholarship focusing on globalization and post decolonialism linguistics educational

administration and policy technology education teacher education and gender studies **The Statesman's Year-Book** M. Epstein, 2016-12-28 The classic reference work that provides annually updated information on the countries of the world

The Papuan Achievement Lewis Lett, 1944 *The Motu of Papua* Murray Groves, 2011 **Texts and Contexts** Doug Munro, Brij V. Lal, 2005-11-30 Texts and Contexts is concerned with the development of Pacific Islands history as a specialization in its own right Specifically this volume examines the foundational texts that pioneered and consolidated the new subdiscipline and served as the building blocks and stepping stone for further developments in the field Thirty five texts all of which represent defining points in the development of Pacific Islands historiography are examined Much more than retrospective appraisals of the foundational texts the individual chapters consider a text or complimentary texts within the context of the time of writing and gauge what ongoing influence they exerted In some cases they suggest how a particular text has been superseded by subsequent work that breaks new conceptual ground in the ongoing process of revisionism Contributors Chris Ballard on Gavin Souter Ivan Brady on Greg Denning I C Campbell on Norma McArthur Bronwen Douglas and Doug Munro on H E Maude and Dorothy Shineberg Michael Goldsmith on Marshall Sahlins David Hanlon on Francis X Hezel K R Howe on Andrew Sharp and David Lewis Brij V Lal on K L Gillion and Peter Corris Hugh Laracy on Niel Gunson and Ta unga Lamont Lindstrom on Peter Worsley and Peter Lawrence Doug Munro on Douglas L Oliver R P Gilson J W Davidson and K R Howe Vincent O Malley on Keith Sinclair and Alan Ward Jon Osorio on Ralph Kuykendall and Gavan Daws Tom Ryan on Bernard Smith Jane Samson on W P Morrell and Deryck Scarr Francis West on Francis West and Gavan Daws Glyndwr Williams on O H K Spate *Gunnar Landtman in Papua* David Russell Lawrence, 2010-01-01 Despite poverty and

neglect the coastal Kiwai of the northern Torres Strait and Fly estuary are a strong and vibrant people with a long tradition of work in the marine industries of the Torres Strait. Regrettably their current social economic and political problems are marginal to both Papua New Guinea and Australia. Gunnar Landtman's research undertaken between 1910 and 1912 is still a foundation stone for understanding the position of the Kiwai today. In those two years in Papua Landtman managed to record a large collection of valuable legends and stories many of which are still told today. He travelled widely throughout the Torres Strait, the southwest coast of Papua and the Fly estuary and even to the Gulf District. He made a comprehensive collection of Kiwai material culture now housed in the Museum of Cultures in Helsinki and a second duplicate set for the Cambridge Museum. He also collected some of the earliest examples of Gogodala material culture available for research. In 1913 he published *Nya Guinea f rden New Guinea* expedition a detailed travelogue of his work and life among the Kiwai and while he wrote a substantial corpus of work on the Kiwai in English, Swedish and Finnish over the next twenty years this personal account in Swedish has not been translated into English before. It forms a crucial link between Landtman's serious academic works and his intimate personal journey of discovery. The aim of this book is to bring the personal face of the serious anthropologist to greater attention.

The Journal of the Papua and New Guinea Society, 1967 *The South Sea Islanders and the Queensland Labour Trade* William Twizell Wawn, 1893 **Records of the Proceedings and Printed Papers of the Parliament** Australia.
