The Kingdom According to Jesus Rob Phillips, 2009-06 Matthew records no fewer than 13 parables of Jesus about the kingdom of heaven No doubt the Son of God placed great emphasis on the kingdom declaring it to be at hand and yet coming Jesus used parables to reveal previously hidden truths about the kingdom but for many it remains a mystery When we turn to the Scriptures we find perplexing and seemingly contradictory teachings about the kingdom yet it was the primary focus of Christ s teaching What is the kingdom of heaven Is the kingdom here already or are we to wait for it Why did Jesus use parables to describe it Who s in the kingdom and who s not Why are some cast out of the kingdom And what can we learn from Jesus stories of mustard seeds pearls and bridesmaids The Kingdom According to Jesus explores these questions in a simple and compelling way that encourages readers to seek first the kingdom of God Matt 6 33

The Parables of the Kingdom Charles Harold Dodd,1936 Do the parables about the Kingdom of God illustrate general truths and are they as easily understood today as at the time of Christ Or are they allegories containing hidden meanings Or can they only be fully understood in the context of a particular moment in time when the eternal entered into history These are some of the questions examined in this study

The Parables of the Kingdom Charles Harold Dodd,1935 **Old and New** Martin Emmrich,2022-01-10 What did Jesus think of the kingdom of God How did his concept differ from those of his contemporaries and how does it still pose some stiff challenges for twenty first century Christians Old and New contributes to the study of Jesus parables as the first comprehensive analysis of the seven kingdom parables assembled in Matthew 13 in a single volume Martin Emmrich argues that the placement content and arrangement of the chapter are highly significant in terms of the overall shape of Matthew s Gospel as well as offering a timeless witness of Jesus notion of the coming of his reign Old and New features some unique exegetical details along with sweeping theological vistas all of it carefully balanced with edifying illustrations and examples The work not only deepens the reader s appreciation of the text but also provides ample incentives for soul searching reflection

Kingdom Concepts Nevin Bass,2019-10-15 DURING HIS EARTHLY ministry Jesus told fifty or more parables depending how you categorize the Lord s teaching Of these at least eighteen are kingdom related When I use the term kingdom related I am saying that Christ directly tied the teaching of the parable to the kingdom of God or the kingdom of heaven I will make no attempt in this work to distinguish between the kingdom of God and the kingdom of heaven If you see a distinction I will take no issue with you on this point But either way any parable that is kingdom related teaches us an important concept that we must grasp and or act upon This book is not intended to be an exhaustive work that details all the Lord s parables I will treat only those that are related directly to the kingdom What distinguishes the kingdom parables from the other teachings of our Lord is the words of our Lord Himself Jesus always announced that a kingdom concept was being communicated when this was the case Apparently Jesus felt that the message being conveyed was important enough to delineate the kingdom parables from all others We should take note of this distinction and treat the message of the parable with careful consideration
