Parachutes Kisses:

Parachutes & Kisses Erica Jong, 1985 *Parachutes and kisses* Erica Jong, 1981 **Fear of Fifty** Erica Jong, 2006-09-07

Seducing the Demon has introduced Erica Jong to readers who hadn't been born when *Fear of Flying* was published in 1973. Now one of her finest works of nonfiction and a New York Times bestseller is back in print with a new afterword. In *Fear of Fifty*, a New York Times bestseller when first published in 1994, Erica Jong looks to the second half of her life and goes right to the jugular of the women who lived wildly and vicariously through *Fear of Flying*. Publishers Weekly delivering highly entertaining stories and provocative insights on sex, marriage, aging, feminism, and motherhood. What Jong calls a midlife memoir is a slice of autobiography that ranks in honesty, self-perception, and wisdom with works by Simone de Beauvoir and Mary McCarthy. wrote the Sunday Times U.K. Although Jong's memoir of a Jewish American princess is wittier than either.

The Poetry of Pablo Neruda Pablo Neruda, 2015-09-01

The Poetry of Pablo Neruda offers the most comprehensive English language collection ever by the greatest poet of the twentieth century in any language. Gabriel García Márquez. In his work, a continent awakens to consciousness. wrote the Swedish Academy in awarding the Nobel Prize to Pablo Neruda, author of more than thirty-five books of poetry and one of Latin America's most revered writers and political figures. a loyal member of the Communist party, a lifelong diplomat, and onetime senator, a man lionized during his lifetime as the people's poet. Born Neftalí Basoalto, Neruda adopted his pen name in fear of his family's disapproval, and yet by the age of twenty-five he was already famous for the book *Twenty Love Poems and a Song of Despair*, which remains his most beloved. During the next fifty years, a seemingly boundless metaphorical language linked his romantic fantasies and the fierce moral and political compass exemplified in books such as *Canto General*, that made him an adamant champion of the dignity of ordinary men and women. Edited and with an introduction by Ilan Stavans, this is the most comprehensive single-volume collection of this prolific poet's work in English. Here the finest translations of nearly six hundred poems by Neruda are collected and join specially commissioned new translations that attest to Neruda's still resounding presence in American letters.

The Oxford Book of Latin American Poetry Cecilia Vicuña, Ernesto Livon-Grosman, 2009

Feminism and the Politics of Literary Reputation Charlotte Templin, 1995

Soon after its publication in 1973, *Fear of Flying* brought Erica Jong immense popular success and media fame. Alternately pegged sassy and vulgar, Jong's novel embraced the politics of the women's liberation movement and challenged the definition of female sexuality. Yet today, more than twenty years and several books later, literary reputation continues for the most part to elude Jong. Typecast by her adversaries as a media-seeking sensationalist, Erica Jong has been unfairly side-stepped by academia. Charlotte Templin contends. In this carefully researched study, augmented by personal interviews with Jong, Templin assembles and analyzes the medley of responses to Jong's books by reviewers, critics, writers, academics, and the

media by liberals conservatives and feminists She examines the diverse opinions on the merit and relevance to contemporary life of Fear of Flying the invocation of a high culture low culture dichotomy to discredit How to Save Your Own Life the anatomy of literary success with Fanny Jong s reception in a postfeminist age and the trivialization of Jong s works that is inevitable with mass media exposure Templin also shows how antagonistic reviewers tend to identify Jong with her fictitious characters a practice more common when the author is a woman and judge her to be guilty of the sin of not being a proper woman In turn she shows how reviewers reveal something of their own values and ideological biases in their critiques and how literary reputations are built destroyed and altered over time The first book to make a detailed examination of the reputation of a woman writer *Feminism and the Politics of Literary Reputation* provides an excellent case study for the literary reception of women writers within a broad cultural context Templin s analysis offers valuable insight into the reception of women writers especially commercially successful women writers and dramatically illustrates the relation of literary reputation to popular appeal and cultural mores
