Paradise Man:

The Paradise Man Linhxuan Vu, 2016-10-12 Since Adam and Eve left Eden humanity has endured through long millennia of hardships and sufferings especially death But the hearts of their children and great grandchildren have never given up the hope that someday they could return to the place of happiness that once had been their inheritance It is a legitimate and dignified dream In fact since the day Adam and Eve left paradise has remained on earth waiting for every single human child to return Mertons paradise in the last analysis is on earth but it is not a spacious place It is rather an attitude of heart a state of consciousness in a spiritual journey The recovery of paradise occurs when the ego in us becomes empty like a desert The more the noisy ego diminishes the more the paradise appears in all its beauty In fact this paradise is the face of God not just an imaginary picture but the true God Himself The more the face of our ego fades out the more the face of God shines in his glory might and goodness The desert path is more a journey within our consciousness than through geographical space and time That is why it belongs to all people and is not just reserved for desert hermits According to Thomas Merton you need not be a bishop a priest a monk a nun a religious person or a hermit to enter the spiritual journey You may be a lay person a normal churchgoer very busy with your daily duties but you certainly could be a real paradise man The Origin of God Sorin Cerin, 2006-06 The author is the main character of this work in which he travels through other dimensions and the origin of the universe is revealed to him **Cultivating Gardens of God** Ananta Kumar Giri, 2024-11-12 In self society religion and politics we are used to the language and discourse of Kingdom of God But in this God is presented as an omnipotent king who is also angry at slight deviation We get glimpses of such powerful and angry God in Old Testament as well as in many other religious traditions of the world In such a discourse and portrayal of God we fail to realize that God is mercy rahim karuna and compassion God is our ever awakened nurturer and He and She is continuously walking and meditating with us with mercy as well as firm challenges for self development mutual realizations and responsible cosmic engagement and participation The vision and discourse of Kingdom of God has many a time been confined within a logic of power where we are prone to valorize God s power in order to valorize our own power on Earth especially the logic of sovereignty at the level of self and society rather than realize God s mercy This book strives to transform this to Gardens of God **A Tour of the Summa** Paul J. Glenn, Aeterna Press, 2015-09-01 We may adapt a remark of St Thomas Aquinas and apply it to his own great work the Summa Theologica not everyone has talent to master this work not everyone has a taste for the study it requires not everyone has time to devote to such study Aeterna Press Peter Sterry , 2013-10-10 Originally published in 1934 this book contains select extracts from the writings of prominent Platonist and Puritan theologian Peter Sterry as well as a brief review of Sterry s life works and beliefs De Sola Pinto chooses the passages from Sterry s writings that are most likely to appeal to the modern reader and which seem to have the enduring and universal qualities of great literature and which truly represent what he himself regarded as the very pith of his doctrine This book will be of value to
