Paradise Transformed:

Bohemian Los Angeles Daniel Hurewitz, 2008-04-30 Historian Hurewitz brings to life a vibrant and all but forgotten milieu of artists leftists and gay men and women whose story played out over the first half of the twentieth century and continues to shape the entire American landscape In a hidden corner of Los Angeles the personal first became the political the nation's first enduring gay rights movement emerged and the broad spectrum of what we now think of as identity politics was born Portraying life over more than forty years in the hilly enclave of Edendale now part of Silver Lake Hurewitz considers the work of painters and printmakers looks inside the Communist Party's intimate cultural scene and examines the social world of gay men He discovers why and how these communities inspiring both one another and the city as a whole transformed American notions of political identity with their ideas about self expression political engagement and race relations From publisher description

L.A. Noir John Buntin, 2009-08-25 Other cities have histories Los Angeles has legends Midcentury Los Angeles A city sold to the world as the white spot of America a land of sunshine and orange groves wholesome Midwestern values and Hollywood stars protected by the world's most famous police force the Dragnet era LAPD Behind this public image lies a hidden world of pleasure girls and crooked cops ruthless newspaper tycoons corrupt politicians and East Coast gangsters on the make Into this underworld came two men one L A's most notorious gangster the other its most famous police chief each prepared to battle the other for the soul of the city Former street thug turned featherweight boxer Mickey Cohen left the ring for the rackets first as mobster Benjamin Bugsy Siegel's enforcer then as his protégé A fastidious dresser and unrepentant killer the diminutive Cohen was Hollywood's favorite gangster and L A's preeminent underworld boss Frank Sinatra Robert Mitchum and Sammy Davis Jr palled around with him TV journalist Mike Wallace wanted his stories evangelist Billy Graham sought his soul William H Parker was the proud son of a pioneering law enforcement family from the fabled frontier town of Deadwood As a rookie patrolman in the Roaring Twenties he discovered that L A was ruled by a shadowy Combination a triumvirate of tycoons politicians and underworld figures where alliances were shifting loyalties uncertain and politics were practiced with shotguns and dynamite Parker's life mission became to topple it and to create a police force that would never answer to elected officials again These two men one morally unflinching the other unflinchingly immoral would soon come head to head in a struggle to control the city a struggle that echoes unforgettably through the fiction of Raymond Chandler and movies such as *The Big Sleep* *Chinatown* and *L A Confidential* For more than three decades from Prohibition through the Watts Riots the battle between the underworld and the police played out amid the nightclubs of the Sunset Strip and the mansions of Beverly Hills from the gritty streets of Boyle Heights to the manicured lawns of Brentwood intersecting in the process with the agendas and ambitions of J Edgar Hoover Robert F Kennedy and Malcolm X The outcome of this decades long entanglement shaped modern American policing for better and for worse and helped create the Los Angeles we know today A fascinating examination of Los Angeles's

underbelly the Mob and America's most admired and reviled police department L A Noir is an enlightening entertaining and richly detailed narrative about the city originally known as El Pueblo de Nuestra Señora la Reina de los Angeles The Town of Our Lady the Queen of the Angels

The Modern Garden Jane Brown, 2000-10 The Modern Garden is the first fully illustrated overview of the great gardens of the twentieth century It examines hundreds of gardens created throughout the century and around the world from the works of Geoffrey Jellicoe to Roberto Burle Marx Russell Page to Dan Kiley
