McVie Christine:

Don't Stop: A Children's Picture Book (LyricPop) Christine McVie, 2020-06-02 McVie's classic song about keeping one's chin up and rolling with life's punches is beautifully adapted to an uplifting children's book. Gorgeous Christine McVie's lyrics paired with woodland creatures in *Don't Stop* is truly as wondrous as it sounds. Exclusive Magazine *Don't Stop* thinking about tomorrow. *Don't stop it'll soon be here It'll be better than before Yesterday's gone yesterday's gone Don't Stop* is a beautifully illustrated picture book based on Christine McVie of Fleetwood Mac's enduring anthem to optimism and patience. The song was one of the singles on Fleetwood Mac's megahit album *Rumours* which spent thirty-one weeks at number one on the Billboard charts and went on to sell over forty million copies worldwide. With lyrics by Christine McVie and illustrations by Nusha Ashjaee, this touching picture book imagines a rabbit willing her hibernating friends out of a long and dark winter and into joyous spring. *Don't Stop* is a great opportunity for fans of Christine McVie and Fleetwood Mac to introduce their favorite band to their young children and for parents looking to share a bright message in song. **Songbird** Lesley-Ann Jones, 2024 Christine McVie, born Christine Perfect, was the quintessentially English rock star as both the backbone and the beating heart of Fleetwood Mac. Straddling the band's incarnations to achieve global fame alongside Stevie Nicks, Mick Fleetwood, Lindsey Buckingham, and John McVie, the classic line-up she wrote and performed many of their greatest hits. As famous for their occasionally life-threateningly decadent lifestyles as for their musical brilliance, they were held together by this strong constant figure whom they dubbed the mother of the band. It was Christine who contained the flock, regrouped them when they went AWOL, focused and blended their talents and always got them back on track. And yet as the engine of the band during their *Rumours* era, an album which charted the complete romantic disintegration within the band, Christine's personal life was every bit as tempestuous as those of her bandmates: weathering affairs, divorce, addiction, and fiery passion, all of which bled into her now iconic songwriting. Told by an author who herself was friends with Christine and with new contributions from those who knew her best, *Songbird* offers a true insider's view and deep psychological insight into Christine as both a woman and a musician: the first, the only, the ultimate picture of a rock legend and a national treasure.

McVie guitarist and vocalist Lindsey Buckingham and singer Stevie Nicks but its members have shifted over the years since Fleetwood Mac began in 1967 And although the band s superstar phase in the 1970s is most familiar to the public Fleetwood Mac s roots were in the blues and the band evolved in fits and starts before finding popular success Fleetwood Mac The Complete Illustrated History documents their entire story including the troubled circumstances that led to the 1970 withdrawal of the band s original guitarist Peter Green as well as the broken marriage of John and Christine McVie and the romantic breakup of Stevie Nicks and Lindsey Buckingham that threatened to split the group even as they were recording one of the biggest albums of all time Rumours This is the whole story of one of rock and roll s greatest bands Christine McVie P.
