*The Knowledge of the Holy* A. W. Tozer, 2022-01-27 This classic of Christian testimony and devotion explores the attributes of God in words that fly straight to the heart A superb aid to strengthening and deepening the spiritual life each chapter begins with a prayer lucidly discusses a divine aspect from God's infinity to God's love and relates that aspect to today's world while pointing always to God's wonder and inscrutability A W Tozer asserts that the cause of many of our modern spiritual woes is the loss in today's church of a lofty concept of God He argues persuasively that the cure lies in our rediscovery of God's majesty True religion confronts earth with heaven and brings eternity to bear upon time says the author in his preface The messenger of Christ though he speaks from God must also as the Quakers used to say speak to the condition of his hearers otherwise he will speak a language known only to himself His message must be not only timeless but timely He must speak to his own generation The message of this book is indeed both timeless and timely Tozer is primarily concerned with the loss of the concept of majesty from the popular mind and more importantly in the thinking of the church He sees the church as having surrendered her once lofty concept of God not deliberately but little by little and without her knowledge With this comes a further loss of religious awe and a sense of the divine presence of an appropriate spirit of worship and of our ability to withdraw inwardly to meet God in adoring silence Tozer attempts to address this problem to go back to the causes of the decline and to understand and correct the errors that have given rise to our loss of a sense of the holy It is impossible to keep our moral practices sound and our inward attitudes right while our idea of God is erroneous or inadequate he tells us

**What Is Christianity?** George Nti,2018-12-19 We live in times of this crucial moment in history bombarding us with vigorous religious diversifications wealth creation strategies ideological and scientific advancements and cultural codes that are draining our faith daily and can shutter our beliefs quickly We are confronted with strategic deceptions temptation and mass distortion of the truth about the Gospel salvation creation prosperity and the meaning of life Given the frequent and consistent confrontational and diversify nature of many Christian apologists we have to pause and ask ourselves hard questions whether in our quest for truth about the Gospel we have been hijacked by crusaders against false doctrine and ideas This book is compulsory reading which challenges the entire humanity to find correct answers to the great questions of the ages that are troubling the hearts of billions regarding Christianity the true purpose of life and how the world works This rare book in our time written by a young vibrant servant of God through the strictest guidance of the Holy Spirit to set the real tone for a new Godly revolution that we can trust forever in this generation and beyond When Jesus Christ comes to live within us we have a hope like no other In a time when Christianity was under such a hot fire from variety of opponents and people of power and influence SIMON PETER wrote But set aside the messiah as Lord in your Hearts and always be ready to give a defense to anyone who asks you for a reason for the hope that is in you However do this with gentleness and respect keeping your conscience clear so that when you are accused those who denounce your Christian life will be put to shame For it is better to suffer for doing good if that should be God's will than for doing evil 1PETER 3 15 17 I give you a glimpse Jesus died to make atonement of our sins Two major terms that elaborate the meaning of atonement are EXPIATION and PROPITIATION Expiation is the process by which sins are covered Propitiation involves satisfying an offended party which is God Our generation is committing intellectual adultery We cannot choose what we want to obey and neglect other texts We are making God out of our own selves Every Christian has an anointing rod in your hand and if you focus on being the best at what you do purchasing all that you desire being on top of all things and even doing what pleases you most is not a doorway to satisfaction so think smart and learn quickly for such things are not a guarantee The wisest man made a conclusive comment in Eccl 12 13 Fear God and keep His commandments What Solomon wanted to teach us is that the only thing that actually matters in this short world transit that has eternal implications is our relationship with God our creator A great nerve
