Aeon Fugitive Amelia Wilson, 2017-12-02

The crystal necklace her father gave her years ago, acting as a beacon to an alien species. Sarah Ellison finds herself abducted by the aliens and taken halfway across the galaxy. The Aeon are a species of alien who look much like humans except for their bobbing antennae, blue skin, and the fact that they speak with their minds and not their mouths. One alien, which Sarah nicknames Henry, spends more time with the young Earth woman than any of his fellow space beings. Is Sarah going crazy or is there an attraction growing there? As she begins to fall for the alien and he for her, Henry tells her of the Zaytar, another alien species which seems intent on destroying the Aeon. Their brief outer space love affair is interrupted, however, when the Zaytar attacks and abducts Sarah right from under the Aeon's nose. Sarah finds herself a captive once more and it's quite clear that Gar, the Zaytar tasked with guarding her, desires her very much. Torn between the two aliens, Sarah finds herself simultaneously in the middle of a war between alien species where the things she's been told may not be truth. Will Sarah ever make it back to Earth? And which alien has truly won her heart? And even more importantly, which alien suitor has really been telling her the truth?

Aeon War Amelia Wilson, 2019-04-11

Sarah has been thrust into a galaxy-spanning war where she has found herself to be the only hope for a race of aliens on the verge of total destruction. Sarah is from Earth, but she hasn't been there for months. She's found a friend and lover in Gar, a handsome Zaytarian who has helped her out of more scrapes and dangerous situations than she can remember. The Aeon's are a psychic race of aliens who thrive on domination and driving other species to extinction, and they have their sights set on the Zaytarians. The only hope Gar and his people have is a small crystal Sarah has worn around her neck since childhood, a gift from her Geologist father. The crystal is the key to a doomsday weapon, one the Aeon's hope to use soon. But under Sarah's guidance, the key might be able to

destroy the weapon and the threat of Aeon rule for good Will Sarah and Gar reach the weapon in time Can anything stop the Aeon threat And when it s all over is Sarah ever going to be able to leave the alien she s fallen for and return to Earth so she can lead a normal life
