Media And The Russian Public:

Television, Power, and the Public in Russia Ellen Mickiewicz, 2008-03-20 The Russian media are widely seen to be increasingly controlled by the government Leaders buy up opposing television channels and pour money in as fast as it hemorrhages out As a result TV news has become narrower in scope and in the range of viewpoints which it reflects leaders demand assimilation and shut down dissenting stations Using original and extensive focus group research and new developments in cognitive theory Ellen Mickiewicz unveils a profound mismatch between the complacent assumption of Russian leaders that the country will absorb their messages and the viewers on the other side of the screen This is the first book to reveal what the Russian audience really thinks of its news and the mental strategies they use to process it The focus on ordinary people rather than elites makes a strong contribution to the study of post communist societies and the individual s relationship to the media

Transparency, Public Relations and the Mass Media Katerina Tsetsura, Dean Kruckeberg, 2017-01-12 This book is about media transparency and good faith attempts of honesty by both the sources and the gate keepers of news and other information that the mass media present as being unbiased Specifically this book provides a theoretical framework for understanding media transparency and its antithesis media opacity by analyzing extensive empirical data that the authors have collected from more than 60 countries throughout the world The practice of purposeful media opacity which exists to greater or lesser extents worldwide is a powerful hidden influencer of the ostensibly impartial media gate keepers whose publicly perceived role is to present news and other information based on these gate keepers perception of this information s truthfulness Empirical data that the authors have collected globally illustrate the extent of media opacity practices worldwide and note its pervasiveness in specific regions and countries The authors examine from multiple perspectives the complex question of whether media opacity should be categorically condemned as being universally inappropriate and unethical or whether it should be accepted or at least tolerated in some situations and environments

Media and Public Relations Research in Post-Socialist Societies Michael R. Finch, Marta N. Lukacovic, Maureen C. Minielli, Sergei A. Samoilenko, 2021-03-17 Media and Public Relations Research in Post Socialist Societies tracks the birth development and contemporary expansion of communication research with a focus on public relations and media research in post socialist societies This collection illuminates the current state of media and communication studies in Eastern Europe Central Europe and Central Asia Contributors discuss and demonstrate various issues of disciplinary roots and tensions institutional constraints study development and contemporary status This book also illustrates diverse types of traditional and contemporary communication studies from humanities and social science perspectives ranging from linguistics to health communication This collection focuses on both traditional and modern scholarship that has arisen due to international scholarly efforts the advent of technology and national research interests Readers will have the opportunity to intellectually discuss the conceptual theoretical and practical issues that have occurred

within the past twenty years regarding public relations mass communication and media studies in post socialist societies The analyses in this book lead readers to consider potential resolutions to some of the current dialectical tensions that are affecting post socialist communication studies and contemplate how reflecting on these tensions informs the broader field of communication worldwide **Television, Power, and the Public in Russia** Ellen Propper Mickiewicz,2014-05-14

Russian Media Challenge Kaarle Nordenstreng,Elena Vartanova,Yassen N. Zassoursky,2001 Press radio and television the media of mass communication were the main vehicles of glasnost which augured perestroika in the mid 1980s The media have continued to play a crucial role in Russian developments throughout the transition period while the media themselves have undergone a drastic change This change parallels what happened in the other post socialist countries but in many respect the Russian media present a unique case Media and the Russian Public Ellen Propper Mickiewicz,1981

Public Affairs Information Service Bulletin ,1919 *The strategy of the Russian government to counteract the emergence of an unmediated public sphere in online media* Florian Hertle,2020-07-09 Essay from the year 2020 in the subject Communications Media and Politics Politic Communications grade 1 0 language English abstract This paper wants to ascertain if the Russian government s strategy to regulate internet media uses totally new methods or if the tools used to control online content are often indistinguishable from the ones used in traditional media To answer this question first it will be worked out a theoretical framework based on which this research can be conducted Next will be an overview about the development and usage statistics of the Russian internet before the legal and non legal strategy concerning the internet media regulation in Russia as well as related phenomena will be elaborated The paper ends with a conclusion and an outlook on possible further development and necessary research One important tool of the current Russian elites under the leadership of President Putin to secure power is controlling the media as it helped them maintain Putin s popularity despite several economic crisis and sanctions Having secured control over traditional media Russia s ruling regime however entered a battle with content shared on social media and internet media outlets to consolidate an information dominance over citizens as the online sphere brings several new threats for the Russian government including counter narratives to official propaganda and the coordination of oppositional forces **The European Public Sphere and the Media** Anna
