Palestines Children:

Palestinian Memory and Identity in Modern Children's Literature Hanan Mousa, 2024-12-09 A timely and significant contribution to Palestinian children's literature from 1967 to the present day *Palestinian Memory and Identity in Modern Children's Literature* examines a myriad of motifs and popular culture and the evolution of national identity and consciousness among young Palestinians Utilizing analytical and in depth readings this text presents a thorough examination of the representations and role of folk culture in Palestinian children's literature from both thematic and stylistic linguistic perspectives The analysis covers a wide range of diverse works representing popular culture published after 1967 including diverse works by writers from Israel the West Bank Gaza and the Palestinian diaspora This volume will be of interest to academics and students exploring the vast contexts of Arabic children's literature and Palestinian folk lore *The Short Stories in Palestinian Children's Literature During the Twentieth Century* Dr. Rafi' Saed Mohammad Yehya, 2024-12-01 The study of children's stories in Palestine during the twentieth century will examine the history and development of this genre understand the main aspects and consider the historical and geographical characteristics The thesis combines the theoretical with the practical aspect It consists of an introduction four chapters a conclusion and an appendix The introduction explains the importance of the study its process and its procedural applications and objectives The first chapter deals with the processes of the Palestinian narrative and children's literature through a historical comparison that includes historical retracing the conditions of the historical and geographical stages and finally the general characteristics of the period

Palestine's Children Ghassān Kanafānī, 1984 Alternate ISBN 0 89410 432 2 **Children of Israel, Children of Palestine** Laurel Holliday, 2014-02-04 Israeli Jews and Palestinians appear side by side for the first time in this remarkable book to share powerful feelings and reflections on growing up in one of the world's longest and most dangerous conflicts Here thirty six men and women boys and girls tell of their coming of age in a land of turmoil From kibbutzim in Israel and the occupied territories to Palestinian refugee camps in the West Bank and the Gaza Strip Israeli Jews and Palestinians tell of tragedy and transcendence as they face their deepest fears and dream of a peaceful future Listen to them as they recount stories of their brief and often violent youth No matter what their ethnic identity how much and how long they have suffered these courageous autobiographers most often reveal a deep longing for peace Perhaps their hopes and fears are best illustrated by a parable retold by eighteen year old Redrose a pseudonym Two frogs got trapped in a jar of cream They couldn't jump out of the liquid and they couldn't climb because the sides of the jar were slippery One frog said By dawn I'll be dead and went to sleep The second frog swam all night long and in the morning found herself floating on a pat of butter

Lived Resistance Against the War on Palestinian Children Heidi Morrison, 2024-08 Despite the increasing volume of scholarship that shows children as political actors prior to this book a cohesive framework was lacking that would more fully examine and express children's relationship with political power Rather than simply hitching children's resistance to

standard theories of resistance Heidi Morrison seeks to meet children on their own terms Through the case study of Palestinian children contributors theorize children s resistance as an embodied experience called lived resistance A critical aspect of the study of lived resistance is not just documenting what children do but specifically how scholars approach the topic of children s resistance With *Lived Resistance against the War on Palestinian Children* the authors account for the vessel i e the body in flesh and mind through which such resistance generates and operates The diverse group of chapter authors examine Palestinian children s art and media imprisonment parenting experiences bereavement neoliberalism refugee camps and protest movements as aspects of their collective and individual political power Through these outlets the book shows consistencies and contends that these children s relationship to political power operates from an inclusive model of citizenship and is social justice oriented symbolically oriented and contingently based *Palestine & the UN* ,1996

The Status of the Rights of Palestinian Children ,2014 *Palestine's Children* Ghassān Kanafānī,Barbara Harlow,Karen E. Riley,2000-01-01 Presents a collection of fourteen stories that reflect the life of Palestinian Arab children Palestinian Children and Israeli State Violence James A. Graff,Mohamed Abdoell,Near East Cultural and Educational Foundation of Canada,1991 *Children of Palestine* Dawn Chatty,Gillian Lewando Hundt,2005 Although the topic of travel and travel writing by Chinese and Japanese writers has recently begun to attract more interest among scholars in the West it remains largely virgin terrain with vast tracts awaiting scholarly examination This book offers insights into how East Asians traveled in the early modern and modern periods what they looked for what they felt comfortable finding and the ways in which they wrote up their impressions of these experiences From p 4 of cover *Collection of pamphlets on Palestine under the British mandate and the Jezreel valley* ,1917 Jewish Child Bulletin ,1926 **The Journal of the Palestine Oriental Society** Palestine Oriental Society,1927 Vol for include list of members *The Children's Friend* ,1903 **The Children's Reading** Frances Jenkins Olcott,1927 **Paidology; the Science of the Child** Oscar Chrisman,1920 **The Teacher and the Child** Harry Thiselton Mark,1903 **The Children's Jewish Advocate** ,1875 **Palestine Exploration Fund** Palestine Exploration Fund,1902 *Palestine* ,1919
