Palm Beach Murder:

Solving the West Palm Beach Murder of Jeffrey Heagerty Graham Brunk, 2016-11-28 The true crime story of a love triangle drug deals and the 1984 cold case murder of a gay South Florida teenager Jeffrey Heagerty was like most young gay nineteen year olds in South Florida in the 1980s commonly finding himself and his friends at the popular Kevin's Cabaret in West Palm Beach on Saturday nights. On one of those Saturday nights in 1984 Jeff vanished from the club leaving his friends behind even though he was their ride home. His body was found dumped in a canal the next morning and his car was missing only to be found a month later abandoned on the other side of town. Rumors of a love triangle drug dealings and sexual encounters snarled police efforts at solving the case. The investigation stagnated and the case grew cold until the solution came from two unexpected sources overlooked details in police photographs of Jeff's car and a mysterious letter from an inmate in the Palm Beach County Jail.

The Palm Beach Murder Marion Collins, 2004-07-11 Collins relates the shocking true story of a Palm Beach millionaire who rather than losing his fortune in a split with his wife hired a hit man in 1987 to kill her and then fled the country.

Original Murder in Palm Beach MR Robert Glenn Brink, Bob Brink, 2016-03-22

Murder in Palm Beach The Homicide That Never Died is based closely on a real murder that happened in 1976. Rodger Kriger a prominent resident of the posh town is fatally shot one night through a window of the six member family's home. A politically ambitious prosecutor gets a hoodlum karate expert named Mitt Hecher convicted on the basis of testimony by jail mates and he is sent to the brutal and anarchic state prison at Raiford prison. While attorneys appeal for a new trial Hecher's wife contracts a usually fatal disease and he is devastated. Did Hecher kill Kriger? A newspaper reporter who questions Hecher's guilt continues to investigate the murder for years and digs up shocking new information. A number of scenarios cast suspicion on other possible perpetrators. Did the sons of a wealthy Cuban do it? Were the operators of a gambling enterprise out to get Kriger? Was a prominent politician behind the slaying? Did a vicious underworld figure do the bidding of a criminal gang? Was a love triangle the basis for the shooting? *Murder in Palm Beach* is the tale of a man whose deeds have sent him plummeting to the bottom and powerful forces determined to keep him there. A murder mystery with all the ingredients to keep the reader riveted it is primarily a powerful story of redemption.

Murder in Palm Beach Bob Brink, 2014 Just back from a dinner affair on a winter night in 1976 Rodger Kriger answers the doorbell in his Palm Beach home and is greeted with a fatal shotgun blast. He was a prominent citizen and police under pressure to find the killer accuse tough guy Mitt Hecher but soon exonerate him. Nonetheless criminal prosecutor John Scaponia formally charges the karate expert with murder and gets a jury to convict him. He is sentenced to a minimum 25 years in prison. While at the Wild West like penitentiary at Raiford an often fatal disease attacks his loving wife who has reformed him. Doubts about Hecher's guilt have persisted and the doubters pursue a number of scenarios pointing to other possible perpetrators. Attorneys working without fees fail repeatedly in appeals for a new trial despite a lack of evidence pointing to Hecher and an abysmal

performance by his attorney Was Hecher innocent and if so who did it Those are the questions seeking answers in this mystery tale of redemption one steeped in violence as it explores issues of justice and power Bob Brink is a freelance writer and blogger who worked at the Palm Beach Post Associated Press in Chicago Milwaukee Journal Tampa Tribune Joliet Herald News and Palm Beach Media Group the flagship magazine of which was Palm Beach Illustrated PBI was named Best Written Magazine in Florida after he became copy chief and feature writer He learned to play the clarinet and tenor saxophone and performed many years with a 65 piece symphonic band tossing in a few professional big band gigs along the way Brink was born in Michigan and grew up mainly in Iowa He has a bachelor s in English and German and studied journalism in graduate school at the University of Iowa **The Perfect 10** Eric O'Keefe,2019-08 The Perfect 10 breaks from the gate with the startling murder of the world s most famous polo player Palm Beach P D considers the homicide an open and shut case but Rick Hunt polo s ultimate insider knows better **Murder in Palm Beach** Cat Lyons,2000 What s an average guy to do when a suspected murderer seeks refuge on his boat and the world comes nipping at her heels Luckily Dan Parent is far from average and even when Teri Person is fingered as the murderer of the one and only mega rich tycoon TJ Hill Dan finds it hard to believe She doesn t seem the type As it turns out he s right Now all they have to do is prove her innocence but with all the odds against them All evidence points to Teri the primary suspect and the Palm Beach Police the Coast Guard the press and the entire community is searching for her In a daring race for their lives Teri and Dan tap into all their resources to buy time and search for the real killer But can they find the real murderer clear their names and escape to the Bahamas in time
