Paper Hellion:

The Hellion's Secret Jess Michaels, 2024-11-19 Phineas Blanchard the Earl of Delacourt feels restless and he can't place why. It's like there's some itch he can't scratch as he goes through the motions of his duties to his title and the dissipated pleasures he finds as a rake in hell all over London. Until that is he encounters a mysterious woman one night. One who bewitches and challenges him in ways that keep him dreaming of her. Imagine his surprise when he later realizes she is the infamous masked female boxing champion only known as The Hellion. Esme Crawford is the daughter of a marquess and ran from her life in Society when her father died under mysterious circumstances leaving her in grave danger. Becoming The Hellion was a way to survive and retake control of her existence. But now Finn is dancing around the edges of her deceptions and if she plays too close to his fire she will surely be revealed and possibly burned. Neither can stay away from the other and eventually Finn discovers both her true identity and the fact that she believes her father was murdered. Now a passionate affair rages between them and a treacherous investigation brings them closer and closer to a man more than willing to kill. Will they be able to overcome the scandal of their passion is one question. Will they survive is quite another. **Paper**

Hellion Ashley Morgan Vollmar, 2005-02-01 Paper Hellion is a compilation of poetic works from a scattering of anthologies. Its contents address the mysterious emotional metamorphosis from injured tenderness to uncontrived forgiveness. *The Shipshape Miracle* Clifford D. Simak, 2017-07-04 Nine tales of imagination and wonder from one of the formative voices of science fiction and fantasy the author of Way Station and City Named a Grand Master by the Science Fiction Writers of America. Clifford D Simak was a preeminent voice during the decades that established sci fi as a genre to be reckoned with. Held in the same esteem as fellow luminaries Isaac Asimov, Robert A Heinlein and Ray Bradbury his novels continue to enthrall today's readers. And his short fiction is still as gripping and surprising now as when it first entertained an entire generation of fans. The title story is just one example of this. Cheviot Sherwood doesn't believe in miracles. They never seem to pay off. So when he's marooned on a planet with no plan for escape and no working radio he takes it in stride and prepares for a long stay gathering food making shelter and collecting all the diamonds the world has to offer. But when a ship like none he's ever encountered lands he sees his salvation and an opportunity to take the priceless craft for himself. Unfortunately his rescuer has the same idea. This volume also includes the celebrated short works Eternity Lost Shotgun Cure and Paradise among others. Each story includes an introduction by David W Wixon literary executor of the Clifford D Simak estate and editor of this ebook. *The Weekly Underwriter* Alasco Delancey Brigham, Henry Rogers Hayden, 1929 **Hellion's**
