Papers Of Jefferson Davis:

The Papers of Jefferson Davis Jefferson Davis,1992 Lynda Lasswell Crist Editor Mary Seaton Dix Coeditor Introduction by Frank E Vandiver Volume 7 of The Papers of Jefferson Davis offers a unique view of 1861 the first year of the Confederacy Davis presidency and the Civil War On January 21 Davis made his affecting farewell speech before a hushed Senate then left for Mississippi His uncertainty over a military or political course vanished when he received news of his unanimous election as president of the Confederate States of America Inaugurated at Montgomery Alabama on February 18 Davis quickly set to work to forge a government in a race with events to select a cabinet establish departments and plan for the common defense Hopes for a peaceful separation from the North ended with the firing on Fort Sumter subsequent documents reveal a president absorbed by the problems of waging a war that soon stretched from the Atlantic Coast to the Gulf of Mexico Victory at Manassas produced euphoria among southerners but plunged the president into the first of several unfortunate controversies with his generals this one over the failure to pursue the enemy and capitalize on success Throughout 1861 the Confederate commissioners in Europe reported to Davis on their expectations of recognition convinced that the demand for cotton would induce Great Britain and France to break the North s blockade of southern ports and help supply arms for the defense of the fledgling nation Volume 7 provides a rare opportunity to assess anew Davis strengths and weaknesses as executive to reexamine his relationship with generals governors congressmen cabinet officers the press and the public Davis ended the year as he begun aware of the difficulties of the course the South had adopted and confident that its cause would ultimately triumph Containing illustrations maps and more than 2 500 documents drawn from numerous printed sources and more than seventy repositories and private collections Volume 7 covers a year of paramount importance in our country s history

The Papers of Jefferson Davis Jefferson Davis,2003-11-07 During the last nine months of the Civil War virtually all of the news reports and President Jefferson Davis s correspondence confirmed the imminent demise of the Confederate States the nation Davis had striven to uphold since 1861 But despite defeat after defeat on the battlefield a recalcitrant Congress naysayers in the press disastrous financial conditions failures in foreign policy and peace efforts and plummeting national morale Davis remained in office and tried to maintain the government even after the fall of Richmond until his capture by Union forces on May 10 1865 The eleventh volume of The Papers of Jefferson Davis follows the last tumultuous months of the Confederacy and illuminates Davis s policies feelings ideas and relationships as well as the viewpoints of hundreds of southerners critics and supporters who asked for favors pointed out abuses and offered advice on myriad topics Printed here for the first time are many speeches and a number of new letters and telegrams In the course of the volume Robert E Lee officially becomes general in chief Joseph E Johnston is given a final command legislation is enacted to place slaves in the army as soldiers and peace negotiations are opened at the highest levels The closing pages chronicle Davis s dramatic flight from Richmond including emotional correspondence with his wife as the two endeavor to find each other en

route and make plans for the future in the wreckage of their lives The holdings of seventy different manuscript repositories and private collections in addition to numerous published sources contribute to Volume 11 the fifth in the Civil War period

The Papers of Jefferson Davis Jefferson Davis, 1971-11-01 Much of Jefferson Davis life and career has been obscured in controversy and misinterpretation This full carefully annotated edition will make it possible for scholars to reassess the man who served as President of the Confederacy and who in the aftermath of war became the symbolic leader of the South For almost a decade a dedicated team of scholars has been collecting and documenting Davis papers and correspondence for this multi volume work The first volume includes not only Davis private and public correspondence but also the important letters and documents addressed to and concerning him Two autobiographical accounts a detailed genealogy of the Davis family and a complete bibliography are also included This volume covers Davis early years in Mississippi and Kentucky his career at West Point his first military assignments and his tragic marriage to Sarah Knox Taylor Together the letters and documents unfold a human story of the first thirty two years of a long life that later became filled with turbulence and controversy

The Papers of Jefferson Davis Jefferson Davis, 1997-02 The Papers of Jefferson Davis Jefferson Davis, 1997-02-01 The New Year comes in auspiciously for us Jefferson Davis proclaimed in January 1863 and indeed there were grounds for optimism within the Confederacy By September however various hopes for ending the conflict with the North had given way to the harsh realities of a prolonged war increasingly confined to southern soil Although Davis suffered poor health during much of the nine month period he remained an active and vital leader Volume 9 of *The Papers of Jefferson Davis* gives a vivid picture of the tasks he faced Military matters consumed most of Davis time Already strained relations with Joseph E Johnston worsened in the spring and he was eventually relieved of his overall command of the western armies Surrenders at Vicksburg and Port Hudson ended Confederate access to the Mississippi River and in the East Robert E Lee's stunning victory at Chancellorsville was blotted out by bloody repulse south of Gettysburg Correspondence from Europe reveals what Davis knew of the Erlanger loan and the diminishing chances of French and British intervention As problems for the Confederacy mounted discontent grew Davis received complaints from across the young country the conscription system being of particular concern In April he saw firsthand the unhappiness over limited resources as he took to the streets to help calm the Richmond bread riot Over 2 000 documents many never before published are included in Volume 9 Eighty one are printed with annotation 242 more in full text and about 1 750 others are calendared in summary form They show Davis fighting to maintain morale and military cohesion during one of the Confederacy's most difficult periods **The Papers of Jefferson Davis** Jefferson Davis, 1982-01-01 Lynda L Crist Associate Editor Mary S Dix Assistant Editor At the end of Volume 2 Jefferson Davis had left Congress to become a colonel in the First Mississippi Regiment The first item in this volume is a speech as he prepares to leave on a riverboat to serve in the Mexican War The years 1846 through 1848 see Davis play a conspicuous role in the war and in the subsequent political clashes and controversies over slavery Volume 3 details Davis first experience in

battle as an officer of a regiment as well as his initial term as a U S senator He received both praise and criticism for his leadership in Mexico In 1847 he returned to Mississippi a wounded hero of national fame refused a brigadier generalship and took his place in the U S Senate There are several items of correspondence with Zachary Taylor that shed light on Taylor s attitude toward the proposed nomination that would lead to his election as president in 1848 Davis first wife was Taylor s daughter and in spite of political and family differences the two men maintained a close friendship In a major speech in July 1848 Davis protested the formal prohibition of slavery from the Oregon Territory he then voted for the Senate s compromise bill on Oregon Volume 3 of The Papers of Jefferson Davis includes letters to and from Davis his speeches in chronological order and other documents further illuminating Davis character opinions philosophy and personal relationships as well as continuing the development of his military career

The Papers of Jefferson Davis Jefferson Davis,2008-11-15

Being powerless to direct the current I can only wait to see whither it runs wrote Jefferson Davis to his wife Varina on October 11 1865 five months after the victorious United States Army took him prisoner Indeed in the tumultuous years immediately after the Civil War Davis found himself more acted upon than active a dramatic change from his previous twenty years of public service to the United States as a major political figure and then to the Confederacy as its president and commander in chief Volume 12 of The Papers of Jefferson Davis follows the former president of the Confederacy as he and his family fight to find their place in the world after the Civil War A federal prisoner incarcerated in a living tomb at Fort Monroe while the government decided whether where and by whom he should be tried for treason Davis was initially allowed to correspond only with his wife and counsel Released from prison after two hard years he was not free from legal proceedings until 1869 Stateless homeless and without means to support himself and his young family Davis lived in Canada and then Europe searching for a new career in a congenial atmosphere Finally in November 1869 he settled in Memphis as president of a life insurance company and for the first time in four years had the means to build a new life Throughout this difficult period Varina Howell Davis demonstrated strength and courage especially when her husband was in prison She fought tirelessly for his release and to ensure their children s education and safety Their letters clearly demonstrate the Davises love and their dependence on each other They both worried over the fate of the South and of family members and friends who had suffered during the war Though disfranchised Davis remained careful but not totally silent on the subject of politics Even while in prison he wrote without regret of his decision to follow Mississippi out of the Union and of his unswerving belief in the constitutionality of state rights and secession Likewise he praised all who supported the Confederacy with their blood and who like himself had lost everything

The Papers of Jefferson Davis Jefferson Davis,1995

The Papers of Jefferson Davis

Jefferson Davis,2012-03-12 Volume 13 of The Papers of Jefferson Davis follows the former president of the Confederacy as he becomes head of the Carolina Life Insurance Company of Memphis and attempts to gain a financial foothold for his newly reunited family Having lost everything in the Civil War and spent two years immediately afterwards in federal prison Davis

faced a mounting array of financial woes health problems and family illnesses and tragedies in the 1870s Despite setbacks during this decade Davis also began a quest to rehabilitate his image and protect his historical legacy Although his position with the insurance company provided temporary financial stability Davis resigned after the Panic of 1873 forced the sale of the company and its new owners canceled payments to Carolina policyholders He left for England the following year in search of employment and to recuperate from ongoing illnesses In 1876 Davis became president of the London based Mississippi Valley Society and relocated to New Orleans to run the company Throughout the 1870s Davis waged an expensive and seemingly endless legal battle to regain his prewar Mississippi plantation Brierfield He also began working on his memoirs at Beauvoir the Gulf Coast estate of a family friend Though disfranchised Davis addressed the subject of politics with more frequency during this decade criticizing the Reconstruction policies of the federal government while defending the South and the former Confederacy The volume ends with Davis s inheritance of Beauvoir which was his last home The editors have drawn from over one hundred manuscript repositories and private collections in addition to numerous published sources in compiling Volume 13

The Papers of Jefferson Davis Jefferson Davis, 1883-04-01 May Seaton Dix Associate Editor Richard E Beringer Visiting Coeditor In Volume 4 of The Papers of Jefferson Davis which covers the years 1849 to 1852 Davis had clearly chosen politics as his life s work He relished in his role as Mississippi s senior senator and willingly assumed the responsibility of being a national spokesman for the South This period also saw a number of events in Davis personal life notably the birth of his first child and the beginning of a long estrangement from his brother Joseph In January 1849 Davis signed the Southern Address although he occasionally disagreed with the extreme positions of its author John C Calhoun Outside the Senate Davis supported the objectives of the Nashville Convention and later the idea of a southern congress During the crisis of 1850 Davis spoke often on such key issues as the regulation of slavery in the territories the extension of the Missouri Compromise line the admission of California the Texas New Mexico boundary the continuation of the slave trade in the District of Columbia and the Fugitive Slave Act In 1851 he proposed purchasing camels for military transportation and urged that a Pacific railroad route be considered in the definition of the Mexican boundary As a loyal Democrat Davis had supported Lewis Cass in 1848 but he was a conspicuous personal favorite of Zachary Taylor the new Whig president and his former father in law In 1850 Taylor reportedly intervened to prevent a duel between Illinois representative William H Bissell and Davis who was incensed by Bissell s remarks about the Mississippi regiment at Buena Vista Soon after joining the Taylor family at the president s deathbed in July 1850 Davis defended Taylor s Mexican War performance in well publicized Senate speech Between sessions in 1849 Davis canvassed Mississippi addressing gatherings throughout the state in favor of congressional candidates He warned of northern aggressions yet urged the exhaustion of all means of peaceful resistance before secession be considered When he returned home after the arduous 1850 session he defended his course denying charges that he was a disunionist In February 1850 Davis had been reelected to the Senate for a

full six year term but in September 1851 he resigned to accept the State Rights nomination for governor in opposition to Union nominee Henry Foote. Although illness precluded much active campaigning in the few weeks before the election Davis substantially reduced the Union lead and lost by a narrow margin. A private citizen for the first time since 1845 Davis continued his involvement in politics. Despite nagging personal problems and ill health he promoted Democratic unity and took to the stump for Franklin Pierce in 1852. *The Papers of Jefferson Davis* Jefferson Davis, 1985-10 Mary Seaton Dix Associate Editor. The fifth volume of *The Papers of Jefferson Davis* presents 9 000 of the approximately 21 000 known Davis letters, papers and speeches from the years 1853 through 1855 when Davis served as secretary of war under President Franklin Pierce. Most of the documents are included in summary form in an extensive calendar. 93 are published in full with annotation. Well prepared for the War Department position by his military education and experience Davis was already known as a champion of the army and West Point from his years in Congress. As secretary Davis administered a department of eight bureaus and a military establishment spread thinly from coast to coast. An increase and reorganization of the army along with the establishment of new posts became top priorities as a tide of settlers encroached in Indian lands in the Mexican cession and Far West. Davis also supervised army engineering projects as varied as the Capitol extension, military roads and river and harbor improvements. The curriculum of the Military Academy, new weapons and armaments development, the activities of the Crimea commission, the Pacific railroad surveys and the camel expedition all commanded his minute attention. Despite the burdens of office Davis maintained a lively interest in the issues of the day among them Latin American filibustering, the purchase of Cuba, states rights, slavery and the conflict in Kansas. The wide attention accorded his travels and speeches brought national prominence to him and speculation about his future candidacy for governor, a return to the Senate, the vice presidency and even the presidency. Personal correspondence includes letters that touch on Davis' long estrangement from his brother, the death of his first child, persistent health problems and relationships with friends and family. Much of his official correspondence especially several angry exchanges with army officers reveals even more about Davis' personality. In addition to the documents published in full and calendared an appendix includes over one hundred recently discovered personal and political items dates from 1838 through 1852 before Davis' selection as secretary of war. **The Papers of Jefferson Davis: September 1864-May 1865** Jefferson Davis, 1971 *The Papers of Jefferson Davis* Jefferson Davis, 2015-05-12. The final volume of *The Papers of Jefferson Davis* follows the former president of the Confederacy through the completion of his two monumental works on the history of the Confederate States of America. In the first *The Rise and Fall of the Confederate Government* 1881 Davis sought to recast the Confederacy as a just and moral nation that was constitutionally correct in standing up for its rights. Himself the subject of heated debates about why the Confederacy lost Davis also used the book to castigate Confederate government and military officials who he believed had failed the cause. Later *A Short History of the Confederate States* 1890 attempted to burnish the image of the former Confederacy and to

refute accusations of intentional mistreatment of Union prisoners While completing these books Davis attended and spoke at numerous Confederate memorial services and monument dedications all the while waging a bitter feud with two of his former top generals Joseph E Johnston and P G T Beauregard over the reasons for the fall of the Confederacy In late 1889 having returned to New Orleans from a trip to his plantation Brierfield Davis succumbed to pneumonia His funeral procession attracted an estimated 150 000 mourners a testament to the lasting popularity of the Confederacy s only president In volume 14 of The Papers of Jefferson Davis the editors have drawn from over one hundred manuscript repositories and private collections in addition to numerous published sources to offer a compelling portrait of Davis over the last decade of his life

The Papers of Jefferson Davis Jefferson Davis,1971-11-01 Much of Jefferson Davis life and career has been obscured in controversy and misinterpretation This full carefully annotated edition will make it possible for scholars to reassess the man who served as President of the Confederacy and who in the aftermath of war became the symbolic leader of the South For almost a decade a dedicated team of scholars has been collecting and documenting Davis papers and correspondence for this multi volume work The first volume includes not only Davis private and public correspondence but also the important letters and documents addressed to and concerning him Two autobiographical accounts a detailed genealogy of the Davis family and a complete bibliography are also included This volume covers Davis early years in Mississippi and Kentucky his career at West Point his first military assignments and his tragic marriage to Sarah Knox Taylor Together the letters and documents unfold a human story of the first thirty two years of a long life that later became filled with turbulence and controversy

The Papers of Jefferson Davis Jefferson Davis,1999-12 Kenneth H Williams Associate Editor Peggy L Dillard Editorial Associate The autumn of 1863 was a trying time for Jefferson Davis Even as he expressed unwavering confidence about the eventual success of the Confederate movement he had to realize that mounting economic problems low morale and rotating army leadership were threatening the welfare of the new nation Less than a year after the October 1863 Confederate victory at Chickamauga the South relinquished Atlanta to Sherman During the tumultuous eleven months chronicled in Volume 10 Davis retained his fervor for southern nationalism as he struggled furiously to command a war and maintain a government As the letters contained here illustrate he soldiered bravely on *The Papers of Jefferson Davis* Jefferson Davis,1989-04

The Papers of Jefferson Davis Jefferson Davis,1975-02-01 The five year period from 1841 to 1846 saw the beginning of Jefferson Davis political career In this the second volume of The Papers of Jefferson Davis the documents cover Davis unsuccessful race for the state legislature his selection as a Democratic state elector his marriage to Varina Howell his election to the U S House of Representatives and his departure therefrom to assume command of the First Mississippi Regiment in the Mexican War In the congressional documents Davis emerges as a hardworking freshman representative who quickly won for himself the respect and esteem of his fellow congressmen There were however notable exceptions One such exception was Andrew Johnson a tailor by trade who strongly resented Davis remark on the floor of the House that a

blacksmith or tailor could not be expected to achieve the same results in battle as a trained military man In the somewhat bitter exchange that followed some have professed to see the beginnings of the long standing animosity between Johnson and Davis The 255 documents in this volume two appendixes contain undated and late arriving items provide a clear picture of Jefferson Davis the man and the politician and give an intimate view of Mississippi in the 1840s Throughout the volume are rumblings of the then distant storm that was to break so disastrously over the nation in the 1860s The Papers of Jefferson Davis Jefferson Davis,1971-11-01 Much of Jefferson Davis life and career has been obscured in controversy and misinterpretation This full carefully annotated edition will make it possible for scholars to reassess the man who served as President of the Confederacy and who in the aftermath of war became the symbolic leader of the South For almost a decade a dedicated team of scholars has been collecting and documenting Davis papers and correspondence for this multi volume work The first volume includes not only Davis private and public correspondence but also the important letters and documents addressed to and concerning him Two autobiographical accounts a detailed genealogy of the Davis family and a complete bibliography are also included This volume covers Davis early years in Mississippi and Kentucky his career at West Point his first military assignments and his tragic marriage to Sarah Knox Taylor Together the letters and documents unfold a human story of the first thirty two years of a long life that later became filled with turbulence and controversy **The Papers of Jefferson Davis: 1853-1855** Jefferson Davis,1971 The Papers of Jefferson Davis Jefferson Davis,1971-11-01

Papers Of Jefferson Davis Introduction

In the digital age, access to information has become easier than ever before. The ability to download Papers Of Jefferson Davis has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Papers Of Jefferson Davis has opened up a world of possibilities. Downloading Papers Of Jefferson Davis provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Papers Of Jefferson Davis has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Papers Of Jefferson Davis. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Papers Of Jefferson Davis. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Papers Of Jefferson Davis, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit

vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Papers Of Jefferson Davis has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Papers Of Jefferson Davis Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What is the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Papers Of Jefferson Davis is one of the best book in our library for free trial. We provide copy of Papers Of Jefferson Davis in digital format, so the resources that you find are reliable. There are also many eBooks of related with Papers Of Jefferson Davis. Where to download Papers Of Jefferson Davis online for free? Are you looking for Papers Of Jefferson Davis PDF? This is definitely going to save you time and cash in something you should think about.
