maintained and consumed by the Anglophone middle class Much of middle class culture is further gendered as female women are more apt to be considered recreational readers of fiction for example and women s behavior outside the home is often taken as a measure of their community s respectability The book also highlights the influence of American popular culture especially African American popular culture as early as the nineteenth century George, Being George Nelson W. Aldrich,2008-10-21 Norman Mailer said that George Plimpton was the best loved man in New York For more than fifty years his friends made a circle whose circumference was vast and whose center was a fashionable tenement on New York s East Seventy second street Taxi drivers hearing his address would ask Isn t that George Plimpton s place George was always giving parties for his friends It was one of the ways this generous man gave back This book is the party that was George s life and it s a big one attended by scores of people including Peter Matthiessen Robert Silvers Jean Stein William Styron Maggie Paley Gay Talese Calvin Trillin and Gore Vidal as well as lesser known intimates and acquaintances each with candid and compelling stories to tell about George Plimpton and childhood rebellion adult indiscretions literary tastes ego trips loyalties and jealousies riches and drugs and embracing life no matter the consequences In George Being George people feel free to say what guests say at parties when the subject of the conversation isn t around anymore Some even prove the adage that no best loved man goes unpunished Together they provide a complete portrait of George Plimpton They talk about his life its privileged beginnings its wild and triumphant middle its brave sad end They say that George was a man of many parts the last gentleman founder and first editor of one of our best literary magazines The Paris Review the graceful writer who brought the New Journalism to sports in bestsellers such as Paper Lion Bogey Man and Out of My League and Everyman s proxy boxer trapeze artist stand up comic Western movie villain and Playboy centerfold photographer And one of the brave men who wrestled Sirhan Sirhan the armed assassin of his friend Bobby Kennedy to the ground A Plimpton party was full of intelligent funny articulate people So is this one Many try hard to understand George and some not always the ones you would expect are brilliant at it Here is social life as it s actually lived by New York s elites The only important difference between a party at George s and this book is that no one here is drunk They just talk about being drunk George s last years were awesome truly so His greatest gift was to be a blessing to others not all sadly and that gift ended only with his death But his parties if this is one need never end at all **Overdose in Paradise** Deborah Brown,2018-11-13 **The Cumulative Book Index** ,1997 A world list of books in the English language *Sargasso* ,2005 **Paradise overdose** Brian Antoni,1996 **Forthcoming Books** Rose Arny,1997 **The Travel Book** ,2005 The definitive pictorial dedicated to travel and the world The Travel Book returns in paperback format to once again capture every country on the planet in photographs and atmospheric text Inspirational inviting and beautiful The Travel Book underscores Lonely Planet s authority as travel experts *The Travel Book* Lonely Planet Publications (Firm),2004 The definitive pictorial dedicated to travel and the world The Travel Book combines stunning images with entertaining informative text Features user friendly A to Z
