Stableford,1976     **Soul Manifest: Survival Game** Michael D'Amico,2022-04-30 In a post apocalyptic future a team based survival game involving contestants with superhuman abilities decides the fate of the world In the year 2030 the world underwent a catastrophe known as The Rift which destroyed most of the planet and left the rest of it strangely transformed into how it looked during the 1400s Well except for one city called Paradise which remained entirely unaffected by the event The sudden destruction of the planet and loss of modern technology set the people of the world into a mad frenzy Now 30 years later the city of Paradise stands as an isolated self sufficient technological marvel amongst the rest of the now barren chaotic world This story follows a man named Dice who has spent six years searching the entire habitable world for his lost daughter Ana Having come up short for years Dice settles down and falls to despair that he may never see his daughter again That is until a letter from the city of Paradise invites him through its gates and his life is changed forever

Skin in the Game Rick Lawrence,2015 Christians are longing for more life in their lives a sense that they're more present to Jesus and to their own story in the everyday They're looking for the answer to the deepest question of human experience How do I find the freedom I crave and become the person I long to be Too often though they're scared to risk too much to find the answer so they simply continue to lead lives of quiet desperation Rick Lawrence says that's exactly the problem We've seen too much We know too much And so we manage our risk so well that we choke off the very fuel that our soul needs to stay alive In fact risk should be a primary aspect of our relationship with Jesus not the thing we avoid In this book Lawrence argues that if we pay attention to the way Jesus related to people we discover that he asked every person he ever met to put their skin in the game invest part of themselves Only then did they find the life they always longed for Lawrence asks eight key questions including Will you embrace your shame Will you receive grace Will you confront your fears Will you wait even when all hope is lost With a vigorous fast paced and conversational style he uses these questions plus stories straight from Scripture and pop culture corollaries to explore the kinds of risks we find in our lives today and how to stop waiting and start going all in for Jesus
