*Paragon Lost* Dave Duncan,2009-10-13 Many legends have emerged from the shadows of Ironhall yet surely none can surpass the greatness and glory predestined for Sir Beaumont possessor of the purest and strongest of hearts and a mind as quick keen and accurate as his sword But the day he sets out in the service of the elderly Lord Wassail turns to a black one and young Beau s journey ends in horror and blood and disgrace Banished from the King s Blades he now faces a grim future as a homeless pariah a creature to be shunned and despised But redemption can come from unexpected directions and in unrecognizable guises Approached in secret by the legendary Durendal now Grand Master of the Order the dishonored paragon is offered one last chance to win back his weapon and his place among his brothers in arms But to do so Beau must ride alone back through the icy gates of Hell and do battle with the Devil himself      **Reports of Decisions in the Supreme Court of the United States** United States.
