Cancassi,2017-02-16 Farewell Utopia is a unique collection of sci fi and fantasy shorts From the metaphysical themes of H P Lovecraft and Ray Bradbury to the sometime humorous sometime sobering twists of Rod Serling It is an exercise in logic philosophy and the shape of things to come without becoming a soapbox expedition A great read for fans of current dystopian novels as well as old school literary fare for the well initiated The Nowhere Bible Frauke Uhlenbruch,2015-03-10 The Bible contains passages that allow both scholars and believers to project their hopes and fears onto ever changing empirical realities By reading specific biblical passages as utopia and dystopia this volume raises questions about reconstructing the past the impact of wishful imagination on reality and the hermeneutic implications of dealing with utopia good place yet no place as a method and a concept in biblical studies A believer like William Bradford might approach a biblical passage as utopia by reading it as instructions for bringing about a significantly changed society in reality even at the cost of becoming an oppressor A contemporary biblical scholar might approach the same passage with the ambition of locating the historical reality behind it finding the places it describes on a map or arriving at a conclusion about the social reality experienced by a historical community of redactors These utopian goals are projected onto a utopian text This volume advocates an honest hermeneutical approach to the question of how reliably a past reality can be reconstructed from a biblical passage and it aims to provide an example of

disclosing not obscuring pre suppositions brought to the text
