Kelly-Jo Foster-Peters

Music Learning Ideas:

Music for Early Learning Linda Bance, 2012-08-21 Is my singing good enough What should I do with instruments How can I create a rich and exciting musical environment which will allow for both child and adult led musical activity Singing dancing and music making comes naturally to young children but we as adults often lack confidence in our musical ability This easily accessible book will help you to realise that everyone can be a creative music maker with young children It aims to inspire you to take young children s enthusiasm for music and create a musically rich environment that supports all areas of learning and development and at the same time celebrate music for music s sake Packed with activities songs and musical games this book includes Recognising musical development in young children and the benefits of music making in the early years Advice on inclusive practice Guidance on using musical instruments Ways to develop your own musicality Help with planning and assessment Chapters linking musical activities to each area of learning and development How to create a balance between adult led and child initiated activities *Music for Early Learning* also includes downloadable resources containing 23 songs and listening activities linked to each area of development which can be used as a standalone resource or alongside the music manuscript and Guitar and Ukulele tabs provided as well as lyrics to each of the songs This practical text will help you to realise the wonderful opportunities that music can offer young children and is an ideal resource for Early Years Practitioners Early Years consultants and trainee teachers as well as those on Nursery Nursing and Childcare courses at Further and Higher education levels

MENC Handbook of Research on Music Learning: Volume 1: Strategies

Richard Colwell, Peter R. Webster, 2011-10-26 The MENC Handbook of Research on Music Learning Volume 1 Strategies brings together the best and most current research on methods for music learning focusing squarely on the professions empirical and conceptual knowledge of how students gain competence in music at various ages and in different contexts The collection of chapters written by the foremost figures active in the field takes a broad theoretical perspective on current critical areas of research including music development music listening and reading motivation and self regulated learning in music music perception and movement The books companion volume Applications builds an extensive and solid position of practice upon the frameworks and research presented here Throughout both volumes in this essential set focus is placed on the musical knowledge and musical skills needed to perform create understand reflect on enjoy value and respond to music A key point of emphasis rests on the relationship between music learning and finding meaning in music and as music technology plays an increasingly important role in learning today chapters move beyond exclusively formal classroom instruction into other forms of systematic learning and informal instruction Either individually or paired with its companion Volume 2 Applications this indispensable overview of this growing area of inquiry will appeal to students and scholars in Music Education as well as front line music educators in the classroom

Music Play Leon Burton, William O. Hughes, 1979 So it is with the activities of this book The young child s musical awareness grows as he moves in time and space explores

vocal and body sounds manipulates musical instruments and physical objects and works with ideas and concepts in a natural enjoyable and concrete way long before he is asked to master those concepts abstractly

101 More Music Games for Children Ger Storms, Jerry Storms, 2001 Music games are relaxing and playful They encourage creativity both in children s imagination and expression All players need is a willingness to have fun and to experience the joys of interacting with others The games include rhythm games dance and movement games card and board games and musical projects All of the games stress humor challenge surprise and cooperation rather than competition

The Oxford Handbook of Assessment Policy and Practice in Music Education, Volume 2 Timothy Brophy,2019-01-02 In the music classroom instructors who hope to receive aid are required to provide data on their classroom programs Due to the lack of reliable valid large scale assessments of student achievement in music however music educators in schools that accept funds face a considerable challenge in finding a way to measure student learning in their classrooms From Australia to Taiwan to the Netherlands music teachers experience similar struggles in the quest for a definitive assessment resource that can be used by both music educators and researchers In this two volume Handbook contributors from across the globe come together to provide an authority on the assessment measurement and evaluation of student learning in music The Handbook s first volume emphasizes international and theoretical perspectives on music education assessment in the major world regions This volume also looks at technical aspects of measurement in music and outlines situations where theoretical foundations can be applied to the development of tests in music The Handbook s second volume offers a series of practical and US focused approaches to music education assessment Chapters address assessment in different types of US classrooms how to assess specific skills or requirements and how assessment can be used in tertiary and music teacher education classrooms Together both volumes of The Oxford Handbook of Assessment in Music Education pave the way forward for music educators and researchers in the field

Practical Music Education Technology Richard Dammers,Marjorie LoPresti,2020-02-12 Today s music teachers are caught in a conundrum about technology while all are interested in it and told to utilize it in music instruction a lack of equipment and funding act as enormous barriers to

technology access In fact studies indicate that the mere perception of these obstacles may be partly responsible for the gap between these teachers interest in technology and the lack of technology integration in the classroom As a result students potentially miss out on active hands on music technology instruction at school In Practical Music Education Technology veteran music educators Rick Dammers and Marjorie LoPresti help music teachers introduce technology into the classroom by providing accessible strategies to support and enrich students musical learning The authors highlight a plethora of free online tools at teachers disposal and provide options that can be flexible for all school environments and types of teachers from those with large budgets to those operating on a shoestring from those well versed in technology to non experts Each chapter outlines pedagogically appropriate resources and strategies that facilitate support and enhance music learning performance and creation Additionally model lesson plans featuring classroom tested uses of technology aim to empower student engagement while also keeping music learning goals at the forefront All teaching ideas presented can be tailored to individual teachers needs and preferences making Practical Music Education Technology an essential guide to music technology for the everyday music teacher

Can We Do It Again?: Elementary Sound and Movement Activities Fostering Learning, Creativity, and Joy Erik Whitehill, 2020-03 Grades K 5 Music can be understood Music is a way to express yourself Music learning is enjoyable These three statements form the core of Erik Whitehill s teaching and are at the heart of this resource designed to inspire joyful musical exploration and engagement Ideas for incorporating movement listening composing playing and more abound in classroom tested warm ups big ideas and closure and line activities that also offer ample opportunities for assessment Adaptable to elementary children of all ages and ability levels these activities are sure to have your students begging Can We Do It Again
