International Sport Business Management James J. Zhang, Brenda G. Pitts, Lauren M. Johnson, 2021-04-13 This book showcases new research in sport business management around the world offering a platform for the international exchange of ideas best practices and scientific inquiries in a globalized sport economy. Featuring work from leading sport management scholars from around the world including North America, South America, Europe, Africa, and Asia, the book addresses a variety of global, regional, national, and community issues that are central to successful sport management. Combining both qualitative and quantitative studies, it explores key themes such as the emergent environment, managing change, organizational transformation, application of technology, marketing and promotion, and research protocols. New case studies cover topics such as entrepreneurship and innovation, sport broadcasting, digital technologies, youth and college sports, and the development of the sport management curriculum. International Sport Business Management is a fascinating reading for all students and scholars of sport management, sport business, and sport marketing, as well as for any professional working in the sport and leisure industries.

*Sport Marketing* Bernard James Mullin, Stephen Hardy, William Anthony Sutton, 2007 This student text provides a foundation of theory and principles for those seeking sports management position. It provides an overview of the reasons and foundations for sport marketing as well as theoretical and research issues and why market segmentation is important.

**Principles and Practice of Sport Management** Carol A. Barr, Mary A. Hums, 1998 Updated and expanded Principles and Practice of Sport Management Third Edition offers a comprehensive introduction to the sport management industry. From the basic knowledge and skill sets of a sport manager to the current trends and issues of the sport management industry this text provides the foundation for students as they study and prepare for a variety of sport management careers. Many well known sport industry professionals contribute chapters that show students how to apply their new knowledge and skills. These experts provide firsthand advice on sport industry segments ranging from high school to the international arena. Students gain a solid understanding of sport management structures and learn to apply principles such as sport ethics to the many segments and support systems of the industry.
