Sensate Haven Abyss Aisha Daniel, 2024-02-03 *Sensate*

Haven is profoundly influenced by augmented reality and artificial intelligence and it symbolizes and acts as an excellent example of technological progress. Nevertheless, there is a shadow, an unintended result of unbridled expansion somewhere amid the glistening skyline. A digital turbulent strikes the city revealing the murky side of networked progress. The Bodhisattvas discover a malevolent force that seeks revenge with a technological weapon of unimaginable power and threatens to annihilate their worlds. An unfathomable power threatens to destroy their worlds with a diabolical force that demands retribution. The menacing sound of hopelessness reverberates through Sensate Haven's broken urban landscapes pressing the Bodhisattvas to discover the evil force's mysteries and avert the ultimate convergence, a pit of unending fear. The haunting chorus of despair echoes through misty woods and shattered cityscapes challenging the Bodhisattvas to unravel the malevolent force's secrets and prevent the ultimate abyss of perpetual dread. The previously praised innovations are now upending the delicate balance between creation and chaos from holographic illusions to virtual horrors. This is a compelling story about using code to play god. Will the shadows cast by its own advancements kill Sensate Haven or can the hesitant hero face the nightmare and find a way to restore balance to a planet on the verge of technological chaos? Travel into the digital shadows, a future where creativity as well as ethics collide and where unintended consequences of technology disruption wreak havoc.

Dream Makers Charles Platt, 1987 Take a unique and amazing journey into the minds of the extraordinary men and women who write fantasy and science fiction. Here, in one handsome volume, are the best of Charles Platt's celebrated and quirky interviews with the leading sf writers of Britain and America. Who are the people who write these enormously popular books? How do they live? What do they think, and what makes them so special? To find the answers to these questions, Charles Platt traveled the USA from coast to coast and then England, visiting the authors in their homes and drawing out their innermost thoughts and aspirations in a wittily revealing series of interviews. His approach is far from adulatory; however, there are many sharp exchanges and pertinent asides in the course of these fascinating conversations, making for compulsive reading. Now these profiles are published for the first time in hardcover, with new material added and an afterword bringing it right up to date.
