You're satisfied with the way things turned out but the thought of saying goodbye to those characters just hurts. You want to keep the magic going. In this book you learn how to pick from four elements of fantasy fiction that will turn even the thinnest sliver of an idea into a concept a novel can be built around. You'll learn about points of view and which characters should have it why structure is both important and overrated. Pantser vs Plotters tips and tricks and more.
