The Beauty Of Psyche (2005) Andrew Staniland,2018-06-28 Andrew Staniland s prose poem novel The Beauty Of Psyche 2005 is a retelling of the Greek myth of Cupid and Psyche as a novel about imagination The characters are played by actors against a backdrop of paintings models and sets The story at times becomes a series of paintings and sculptures in an exhibition And many of the references to people films theatre and other myths may or may not be imaginary too Revised edition Reading this I felt the excitement and pleasure of those long Romantic poems by Keats Shelley and Byron or even Pope and Milton but it s not like any of them It is not a modern version of a classic it is a modern classic It s a genuine literary work of art A true contemporary classic It s beautiful it s intelligent and I don t imagine I ll ever read anything like it again Cally Phillips indie e book review
