The Natural Life Matthew Minarik, Margaret Minarik, 2011-08 So what is natural Are you natural Whose laws do you live by man s laws your neighbor s laws or God s laws How do you know if you re living by God s natural laws or by man s fear based laws Read the conversations at midnight of a husband and wife as they unravel the world of compromise and political correctness that we live in Matthew and Margaret Minarik s enlightening guide *The Natural Life* will challenge your core thoughts to their deepest roots encouraging you to embrace the ultimate goal of life changing the world one soul at a time With subjects ranging from birth control organic food breastfeeding education and learning to turn off the TV *The Natural Life* will teach you everything you need to know to live life as God intended "Monera", *the Principles of Evolution and Immortality of Atomic Life* Paul Gustav Lewis, 1911 [The Manual of Natural Living](#) Claude Barreau, Paule Salomon, 1979 [Hearings](#) United States. Congress Senate, 1958 [Life](#) Valentin Matcas, 2014-04-20 You are an intelligent living human being and in order to assure your meaning and success throughout life you have to know everything about life everywhere in all forms and realities You have to learn everything about nature society and organic life about the true origins of life about creating life and about the divine and about your own meaning in life and in the world as an intelligent living human being While these are not random ideas but these specific needs for higher knowledge are embedded continuously within your own higher level intelligent needs and meanings just because this is the case with all intelligent life But is this important knowledge about life actually available to you and everyone else Yes or no since there are many instances to consider Yet when you are capable to find the necessary knowledge about life meaning society and the world you are truly capable to live your life at the intelligent human level While if you cannot find it you keep on searching since your own higher level needs and meanings never leave you alone until you learn everything necessary in life and in the world And so you do otherwise you end up living your life on lower developmental levels addicted in servitude or only intuitively through animal instincts And it certainly matters just because you are an intelligent living human being by nature now forced to live life below your level unfulfilled and even punished intrinsically for your continuous failure But where exactly can you find this important knowledge Who can shine a living light on the accurate truth Do you still wait for science to do so when science had already offered you everything that it knows since high school Throughout this book we model life in all significant details as we study everything alive and intelligent from the smallest cellular components to the entire human body mind and spirit and to all forms of life because everything is alive and meaningful in the world If you want to learn more about life in all forms and realities this book is for you [Natural Law in the Spiritual World](#) Henry Drummond, 1884 **Good Health**, 1905 *The True Life*, 1890 **Life Association News**, 1918 **The Revised Reports** Frederick Pollock, Robert Campbell, Oliver Augustus Saunders, Arthur Beresford Cane, Joseph Gerald Pease, William Bowstead, 1902 **The Lamb in the Midst of the Throne** James Manning Sherwood, 1883 **Household Economics** Helen Campbell, 1897 [Corpus Juris](#) William
