Standing under the Cross Michael Mawson, 2023-09-07 Standing Under the Cross focuses on Bonhoeffer's rich theological and ethical thinking. It places Bonhoeffer in conversation with a wide range of modern theologians including Karl Barth, Franz Rosenzweig, Jürgen Moltmann, and James Cone. The book gives particular attention to hermeneutics, the body, and Bonhoeffer's rich reflections on community and discipleship. Mawson attends to the complex ways in which these aspects of Bonhoeffer's thinking work together and shows how they can assist us in responding to some of the challenges confronting us today.

The Collected Works of Witness Lee, 1954, volume 1 Witness Lee, Brother Witness Lee traveled to Manila, Philippines at the beginning of 1954. On January 24 he began a seven day perfecting conference with five special fellowships concerning the subject of pursuing the Lord. After this he initiated a service training that lasted for six months with four meetings per week. On Wednesday mornings he gave a Bible study of the Old Testament and on Wednesday evenings he gave a training on character including matters such as being the proper person, handling affairs properly and doing the proper work. On Friday mornings he gave a training on being a minister of God's word and on Friday evenings he ministered on the proper way to meet. The number who attended these meetings varied between fifty six and one hundred sixty. The study of the Old Testament and the training on character are included in volume 1 of the 1954 set along with other messages given in the same time period. In the fall of 1954 Brother Lee began another extended training for serving ones like the one that he carried out in the fall of 1953. During this training he conducted a detailed study on Genesis, Exodus and Leviticus through Ezra. The messages given in this detailed study are included in volume 4 of this set. He also spoke further on the knowledge of life and the experience of life. These speakings and the speakings in the previous training in 1953 on the same subjects were combined to form the books The Knowledge of Life and The Experience of Life. See The Collected Works of Witness Lee 1953 vol 3. During this training he also released messages published in Gospel Outlines which are included in
