**Instant Presence** Enza Vita, 2017-07-05 This brilliant contribution to our modern understanding of authentic identity and Presence brings us to a new awareness of ourselves and our innate wholeness and completeness Lama Surya Das author of *Awakening the Buddha Within* This is a great contribution to our appreciation of the genuine voice of Pure Presence It brings us to a deeper awareness of what it means to study the self and our intrinsic true nature as that which is already perfect whole and complete It is certainly worthy of your time and attention Zen Master Dennis Genpo Merzel author of *Big Mind Big Heart* This book is a practical guide to accessing an awakened state offering a spiritual practice Instant Presence that is based on Enza Vita's own profound encounter with enlightenment She gets to the heart of what is wrong with so much of our spiritual strivings if a practice is bound to a goal then that is an obstacle because in reality there is no goal to be achieved What we are looking for is here now and has always been Using a helpful question and answer format that highlights ways of embracing her no practice practice Enza guides readers in searching for the individual I and realizing that this I does not exist She explains the meaning of real meditation which lies in letting go of control rather than in seeking to control the experience and offers presence pause exercises and many hints and tips for letting your thoughts be and accessing true awareness Her book shows that sudden awakening is an ever present possibility and reveals the power of our thoughts and emotions to keep us in endless suffering Enza seeks always to support readers spiritual journey from their initial search through the integration of spiritual enlightenment into everyday life showing that true awakening is not a faraway dream or mere intellectual knowledge but the direct realization of our true nature that is always available here and now
