The Doctors Who's Who - The Story Behind Every Face of the Iconic Time Lord: Celebrating its 50th Year Craig Cabell, 2013-11-04 Doctor Who is the world's longest running science fiction television series and has had children hiding behind sofa's since it was first broadcast in 1963. Eleven actors have played the famous Time Lord starting with William Hartnell and it has been a career landmark for all of them. Indeed no other role in television history is as iconic, demanding or as anticipated by its legions of fans as that of the famous time traveller with two hearts. Find out Who was a bouncer for The Rolling Stones before taking control of the Tardis, Who was nearly blown up in the Second World War aboard HMS Hood, Who had a fondness for woolly hats and had a grandson who would become Harry Potter's nemesis, Who played a transvestite barmaid before becoming a Doctor, Who heart throb. Go back in time and read the human story behind a TV legend.

Remembering Ronnie Barker Richard Webber, 2010-10-07 Ronnie Barker was one of our most respected and best loved comedy actors and here in this fascinating biography Richard Webber delves deep in to the heart of Barker's life and career, peppering his narrative with original and incisive memories from some of Barker's closest contemporaries including Ronnie Corbett, Michael Palin and Barry Cryer. Star of the much adored comedy classics *Porridge*, *The Two Ronnies*, one of the most successful and long running television comedy shows ever on British television and *Open All Hours*, Ronnie Barker was universally admired by the public and industry insiders alike. From his early days writing for and performing skits on *The Frost Report* right up to his retirement in 1988, he lit up television screens across the country with his wonderful gift for comedy and his remarkable skill for character acting. Beyond his performances on the stage and screen, Barker was also an accomplished comedy writer, providing many of the sketches and songs for *The Two Ronnies* and contributing material to a number of other television and radio shows. And despite his retirement, he retained pole position in the public's affection, returning to the screen in 1999 to team up with his erstwhile comedy partner and great friend Ronnie Corbett for a *Two Ronnies* night on BBC1, followed by a BAFTA tribute in 2004 and a final appearance on television in 2005 on *The Two Ronnies Christmas Sketchbook*. Effortlessly funny, universally adored and an actor and writer responsible for some of Britain's best loved and most respected comedy, Ronnie Barker was a true comedy legend. Here he's brought to the page in winning style as he's remembered by those who best loved and knew him.
