Naval Arms Control A Strategic Assessment

Serge Sur (jurist)

Naval Arms Control A Strategic Assessment:

Naval Arms Control Barry M. Blechman, 1991 Despite entreaties by the former Soviet Union the US refused to discuss controls on naval forces The difference between the US and Soviet approaches to naval forces is the product of differences in geography history and strategic interests

Superpowers at Sea Richard W. Fieldhouse, Shunji Taoka, 1989 The arms race at sea is a dangerous nuclear race which is causing growing international concern and must be brought under control What are the hard facts about the situation This book documents the realities of the competition especially the nuclearization of naval forces and dispels some of the myths surrounding the naval arms race This incisive analysis of naval forces of the East and West concludes that contrary to common perceptions the US and its allies have a considerable military advantage over the Soviet Navy a trend which is expected to continue for the foreseeable future The authors describe in detail the widespread nuclearization of naval forces of all five nuclear navies analyse the implications for security and arms control and conclude with suggestions for possible arms control measures

From Environmental to Comprehensive Security Arthur H. Westing, 2013-07-01 This work presents the evolution of the traditional concept of national security as military security to additionally embrace environmental security and then necessarily also social societal security thence to be termed comprehensive human security It accomplishes this primarily by presenting 11 of the author's own benchmark papers published between 1983 and 2010 additionally providing bibliographic citations to a further 36 of the author's related publications during that period The work stresses the importance of transfrontier regional cooperation and also recognizes global overpopulation as a key impediment to achieving comprehensive human security

The Greek-Turkish Relationship and NATO Dr Fotios Moustakis, 2004-11-23 This publication shows that the Eastern Mediterranean having been transformed from a region of secondary importance during the Cold War to one of greater importance for the western interests in the post Cold War era is in a state of flux Despite sporadic periods of rapprochement tensions between Greece and Turkey still exist Therefore one must question the grounds behind the lack of normal relations that exist between these two NATO members and its effects on the NATO organisation as a whole Hence this volume has two purposes first to examine Greek and Turkish foreign security and defence policies during and after the post Cold War period and second to investigate why these policies have been formulated

Maritime Security Jozef Goldblat, 1992

One Hundred Years of Sea Power George W. Baer, 1994-08-01 A navy is a state's main instrument of maritime force What it should do what doctrine it holds what ships it deploys and how it fights are determined by practical political and military choices in relation to national needs Choices are made according to the state's goals perceived threat maritime opportunity technological capabilities practical experience and not the least the way the sea service defines itself and its way of war This book is a history of the modern U S Navy It explains how the Navy in the century after 1890 was formed and reformed in the interaction of purpose experience and doctrine
