Amazon Deals 2025 Edition:

Amazon Rachel First,2024-08-01 Amazon is the world's largest online retailer. In this title, fluent readers will learn how it went from a bookstore based in a garage to one of the most recognizable brands in the world. Fact-filled text engages readers as they learn about Amazon's history, philanthropy, products, and more. Fun facts offer additional information, and special features map the company's headquarters, highlight sales profiles, a company leader, and show off popular products. This fun title delivers an informative and engaging read.

Amazon River, The Colleen Sexton,2024-08-01 The Amazon River has earned the nickname "river sea." Some areas are so wide that people are unable to see from one riverbank to the other. In this title, engaging text and crisp photos immerse readers in the land, plants, and animals along the river's path. A timeline feature highlights human events on and around the river. The book concludes with a focus on present-day human activity and how it affects the Amazon River.

Introduction to Generative AI, Second Edition Numa Dhamani, Maggie Engler, 2026-01-20 Get a free eBook PDF or ePub from Manning, as well as access to the online liveBook format and its AI assistant that will answer your questions in any language. When you purchase the print book, AI tools like ChatGPT and Gemini, automated coding tools like Cursor and Copilot, and countless LLM-powered agents have become a part of daily life. They've also spawned a storm of misinformation, hype, and doomsaying that makes it tough to understand exactly what Generative AI actually is and what it can really do. This book delivers a clear, well-written survey of generative AI fundamentals, along with the techniques and strategies you need to use AI safely and effectively. It guides you from your first eye-opening interaction with tools like ChatGPT to how AI tools can transform your personal and professional life safely and responsibly. AI moves fast, and so this second edition has been completely revised to reflect the latest developments in the field. In this easy-to-read introduction, you'll learn: How large language models (LLMs) work. How to apply AI across personal and professional work. The social, legal, and policy landscape around generative AI. Emerging trends like reasoning models and "vibe" coding. About the technology: Generative AI tools like ChatGPT, Gemini, and Claude can draft emails, generate marketing copy, and prototype product designs. They can also produce poetry, realistic images or videos, and even generate computer code. But how do they do all that? This accessible book reveals how generative AI works in plain, jargon-free language, so you can use it safely and effectively. About the book: *Introduction to Generative AI, Second Edition* is a completely revised and updated guide to the capabilities, risks, and limitations of generative AI. You'll understand the latest innovations in AI, AI agents, multimodal training, reasoning models, retrieval augmented generation (RAG), and more. Along the way, you'll explore how AI is impacting the world with an expert-level look at AI in industry, education, and society. What's inside: How AI and foundation models work. Applications across daily life and work. Balancing innovation with responsibility. About the reader: No technical experience required. About the author: Numa Dhamani is a natural language processing expert working at the intersection of technology and society. Maggie Engler is a researcher and engineer working on safety for generative AI systems.

Large language models The foundation of generative AI 2 Training large language models Learning at scale 3 Data privacy and safety Technical and legal controls 4 AI and the creative economy Innovation and intellectual property 5 Misuse and adversarial attacks Challenges and responsible testing 6 Machine augmented work Productivity education and economy 7 Prompt engineering Strategies for guiding and evaluating LLMs 8 AI agents The rise of autonomous AI systems 9 Human connections The social role of chatbots 10 The future of responsible AI Risks practices and policy 11 Frontiers of AI Open questions and global trends [The Men Who Killed the News](#) Eric Beecher, 2026-01-27 Readings Best Books of 2024 Non Fiction Nominated for the 2025 Sperber Prize Never before has the media played such an active part in our politics with Elon Musk using X to affect world elections and direct US government policy But as Crikey owner and ex News Corp executive Eric Beecher shows media moguls have a long history of abusing their power What s gone wrong with our media The answer its owners From William Randolph Hearst to Elon Musk from the British press barons to colonial upstarts Conrad Black and Rupert Murdoch media proprietors have manipulated the news to accumulate wealth and influence as they meddled with democracy Eric Beecher knows the news business from bottom to top He has been a journalist editor and media proprietor of Text Media and Crikey with the rare distinction of having both worked for and been sued unsuccessfully by the Murdochs This book reveals the distorted role of the media moguls of the past two centuries their techniques strategies behind closed doors machinations and indulgent lifestyles It explains how they have exploited the shield of the freedom of the press to undermine journalism and truth In an era of fake news AI and misinformation this is democracy s chillingly important story how a small coterie of flawed and narcissistic moguls created a shadow of power that has contributed to making the media an agent of mistrust [DOP-C02 Practice Questions for Amazon DevOps Engineer - Professional Certification](#) Dormouse Quillsby, NotJustExam DOP C02 Practice Questions for Amazon DevOps Engineer Professional Certification Master the Exam Detailed Explanations Online Discussion Summaries AI Powered Insights Struggling to find quality study materials for the Amazon Certified DevOps Engineer Professional DOP C02 exam Our question bank offers over 350 carefully selected practice questions with detailed explanations insights from online discussions and AI enhanced reasoning to help you master the concepts and ace the certification Say goodbye to inadequate resources and confusing online answers we re here to transform your exam preparation experience Why Choose Our DOP C02 Question Bank Have you ever felt that official study materials for the DOP C02 exam don t cut it Ever dived into a question bank only to find too few quality questions Perhaps you ve encountered online answers that lack clarity reasoning or proper citations We understand your frustration and our DOP C02 certification prep is designed to change that Our DOP C02 question bank is more than just a brain dump it s a comprehensive study companion focused on deep understanding not rote memorization With over 350 expertly curated practice questions you get 1 Question Bank Suggested Answers Learn the rationale behind each correct choice 2 Summary of Internet Discussions Gain insights from online conversations that break down complex topics 3 AI Recommended Answers
