

# YOU WILL ALWAYS BE MY FRIEND

BY DHARVI SHAH

You were my best friend.  
We did everything with each other.  
We shared every tear  
And felt each other's fear.  
You listened to all that I said  
And never complained.  
You truly understood me  
And always knew what to say.  
But somewhere along the road  
We drifted miles apart.  
It broke my heart  
And made me cry.  
Suddenly we were two different people with nothing  
the same,  
But neither of us could be blamed.  
It was like having a lock without its key,  
A shoe without its lace.  
You made new friends  
And fortunately so did I.  
But that could not mend my heart.  
The grief of losing you tore me apart.  
Things do change,  
But they do not need to end.  
We both have changed,  
But you will always be my friend.

**Ethics and Experience** Tim Chappell, 2014-12-05 *Ethics and Experience* presents a wide ranging and thought provoking introduction to the question famously posed by Socrates How is life to be lived An excellent primer for any student taking a course on moral philosophy the book introduces ethics as a single and broadly unified field of inquiry in which we apply reason to try and solve Socrates question *Ethics and Experience* examines the major forms of ethical subjectivism and objectivism including expressivism error theory naturalism and intuitionism The book lays out the detail of the most significant contemporary moral theories including utilitarianism virtue ethics Kantianism and contractarianism and reconsiders these theories in the light of two questions that should perhaps be asked more often Is moral theory with its tendency to regiment ethical thought and experience really the best way for us to apply reason to deciding how to live And might it not be more truly reasonable to look for less system and more insight
