Tales from the Bucs Sideline Chris Harris,Joey Johnston,2004 Plenty of sports franchises have stories that flow from hopelessness to prosperity That was the backdrop when the Tampa Bay Buccaneers became world champions but how many others had to perform with an accompanying laugh track How many used the number one overall draft pick on a player Bo Jackson who surveyed the scene shrugged his shoulders and decided to play baseball How many essentially gave away their battered and star crossed quarterback Steve Young suddenly jump starting his route to the Hall of Fame How many had a coach John McKay who when asked what he thought of his team s execution wryly replied I m in favor of it How many work in an antiquated training facility One Buc Place that hosts exterminators more often than the owners For nearly a generation they were the Yucks Then they transformed themselves from frogs into princes Tales from the Bucs Sideline is their story warts and all From winless wonders to world champions from hapless players too embarrassed to show their faces in public to superstars who are constantly in your face One and off the field this is the story of how a franchise can transform from woeful to wonderful complete with all the unforgettable and forgettable moments and characters

An expert craftsmanship of sports journalism and a powerful statement about the business of sports and economy Certain character depictions are fictitious to convey the utter seriousness of a sport s specification where the ownerships of Champcar waged a boycott against IndyCar and Indianapolis Motor Speedway IMS Otherwise oil and gas is a tightening up of economic realities the real people on the verge of a financial takeover and how such economies work in relation to Major Leagues Sports in historically speaking the most productive times in U S economy The Heists are back and Phil Elmach driving for James Sedgwick Only in oil and gas Elmach joins Jake Coote and the experts in the Sunshine State Turbochargers made the stealthiest cars and successively IndyCar s resolution of a sport s escalation costs To the supercops the top outfits in the Champcar IndyCar merger war pose a threat in a downturn economy and the owner teams recognize that tires aren t the only switch ups but teams transferring into IndyCar In the shuffle of cash egos and clashes everyone gets caught to the comic drama of staying steps ahead of a supercop In the chase the story distinguishes myth from the legendary figures Miles
