Greenwood guide to American popular culture M. Thomas Inge,Dennis Hall,2002 Margaret Atwood: An Introduction to

Critical Views of Her Fiction Gina Wisker,2011-12-29 Margaret Atwood is an internationally renowned highly versatile author

whose work creatively explores what it means to be human through genres ranging from feminist fable to science fiction and Gothic romance. In this timely new study Gina Wisker reassesses Atwood's entire fictional output to date, providing both original analysis and a lively overview of the criticism surrounding her work. *Margaret Atwood: An Introduction to Critical Views of Her Fiction* Covers all of Atwood's novels as well as her short stories. Surveys the critical reception of her fiction and the fascinating debates developed by key Atwood critics. Explores the main approaches to reading Atwood's work and examines issues such as her interventions in genre writing and ecology as well as her feminism, post feminism and narrative usage, both conventional and experimental. Concise and approachable, this is an ideal volume for anyone studying the fiction of this major contemporary writer.

*Escaping from the Prison-House of Language and Digging for Meanings in Texts among Texts: Metafiction and Intertextuality in Margaret Atwood's Novels *Lady Oracle* and *The Blind Assassin** Andrea Strolz, 2012-02-13 Margaret Atwood's novels are photographs of her characters' lives while words only ever describe her protagonists' blurred visions of their pasts. Their true stories are told in subtexts which run parallel or even contrary to the main story line and which depict the unseen, the buried, the untrue. Replete with intertextual references, her fiction illuminates that and why what isn't there has a presence like the absence of light. *The Blind Assassin* She plays with our conventional modes of perception to make us aware of the way we frame reality in our minds. Andrea Strolz discusses in her book the interrelation between metafictional and intertextual features in two of Atwood's novels that share many similarities, even though written in different decades. She examines how Atwood weaves intertextual references into her fiction, how she facilitates a reader's recognition of the intertexts and she shows that Atwood's narrators/protagonists also reflect on our age as one of intertextuality.
