you're the type of person who wants to be financially free live a life without having to work another day in your life i.e. make millions. Whatever the goal is small or big the possibilities are there. When I first got into investing I struggled a lot. It's too late to get started, I don't have enough money to invest, I don't have enough time. The excuses are endless. Companies keep growing. Most millionaire investors started from nothing, a few were born into wealthy families. You have the same 24 hours as everyone else. The upside is that even if you have made these excuses before you can succeed now. It's just up to you to take the initiative.
