What makes Netflix's Bodyguard so successful? An intimate viewing Mela Z.,2019-05-15 Essay from the year 2019 in the subject Art Photography and Film grade 1 0 University of Art and Design Linz Kunstuniversit t Linz language English abstract What makes Bodyguard so successful An intimate viewing When in due time after watching

Netflix's *Bodyguard* simply didn't fade out of my mind; it made me a little uneasy. I felt compelled to try and find out what was so compelling in there. The investigation then became a bit of an obsession in itself, which no doubt ran away with me, sometimes turning into some dubious lanes here and there. Nonetheless, it was enjoyable as I hope it is for you too to read. Without knowing the whole first season, six hours of this will make sense to you. So watch first, then enjoy reading the thematic and psychological theories about it. For plot theories or discussion of realism/plausibility of the action parts, look elsewhere. My purpose was to look for meaning, staying in the characters' points of view for a lot of the time rather than to find fault. The meaning offered by a completed work is usually not identical with what was intended by its makers. And meaning doesn't always emerge by design; sometimes things just fall into place. Every interpretation that's well reasoned is justified and can be challenged by further argument. This is just one viewer's view.

Summary Part I: The main character p. 2 assumes that underneath the bodyguard's professional demeanor, there is a very sensitive and even childlike soul, and it shows up in his body quite a lot if you know where to look. We delve into reading the bodyguard's mind and body and end up being a bit unsure about who protects whom here but being a lot surer about our humanity.

Part II: The relationship p. 11 tries to draw near to what gets this unlikely pair together at all, a theory being that for him, it is a very bodily need but not primarily a sexual one associated with his stress disorder. This part further points out that their relationship is visually described by two beautifully handled guiding themes: the touch of their hands and their partly only symbolic embraces.

Part III: The finale p. 21 describes a striking analogy between the bomb vest around David's body and his inner mental powder keg of trauma, hurt, and the stress of covering it up. It deals with death, tombs, and the underworld a bit like in Greek drama, and after having been there, getting back to life.

New York, 2004-10

Business Model Design and Learning Barbara Spencer, 2013. Aimed at aspiring entrepreneurs and practicing managers who want to create, identify, or articulate business models that will serve as the foundation for success for their businesses as well as refine and even reinvent those models.

The Hollywood Reporter, 2009

Home Theater For Dummies Danny Briere, Hurley, 2003-04-11. Select the best equipment for your home theater. The fun and easy way to create the movie theater experience in your own home. Are you ready for HDTV? Checking out surround sound and DVRs. This value-priced guide clearly explains the latest advances in home entertainment electronics and makes sense out of all the available choices. It then helps you choose the right equipment and shows you how to put it all together to build the home theater system of your dreams. The Dummies Way: Explanations in plain English. [Nothing But Net: 10 Timeless Stock-Picking Lessons from One of Wall Street's Top Tech Analysts](#) Mark Mahaney, 2021-11-09. Find the winners, avoid the losers, and build a solid Tech portfolio for the long run with proven methods from legendary analyst Mark Mahaney. The Tech industry is the stock market's hottest, most profitable sector, but it can be a roller coaster ride. Companies with great ideas can end up going nowhere, and some that dominate today will be sold at fire

sale prices in five years Sure things can become sore things very rapidly Nothing But Net provides the knowledge and insights you need to understand what's really hot to know what's not and to outperform other investors consistently and decisively Famous for his smart savvy and unique approach to Tech stock investing Mark Mahaney provides his 10 proven rules for succeeding as a long term Tech stock investor explaining everything he's learned during almost 25 years of analyzing internet stocks including Why revenue growth and customer metrics not earnings are what matter most to Tech investors How to invest not trade in the great growth opportunities that lie ahead How to determine when high valuations are a warning sign and when they signal an opportunity I've watched the rise of some of the leading companies of today Facebook Amazon Netflix Google and the fall of some of the leading companies of yesterday Yahoo eBay and AOL Mahaney writes Figuring out which companies really are going to be dominant franchises is an extremely hard thing to do But those who accomplished this were arguably able to generate some of the best portfolio returns in the stock market over the past generation Nothing But Net provides powerful advice for the next two decades lessons you can start applying today and use for years to come
