## **October Ten Days That Shook The World:**

October ,2015 October Ten Days That Shook the World is a 1927 Soviet silent propaganda film by Sergei Eisenstein and Grigori Aleksandrov sometimes referred to as October It is a film epic about the 1917 October Revolution and Revolution in Petrograd The title is taken from John Reed s book on the Revolution Ten Days That Shook The World The film was commissioned by the Presidium of the Central Executive Committee of the USSR to commemorate the 10th anniversary of the October Revolution Its premiere took place at the Bolshoi Theatre on November 7 1927 *Ten Days that Shook the World* John Reed,2017-09-05 This book is a slice of intensified history history as I saw it So begins John Reed s first hand account of the Bolshevik Revolution of 1917 Much anticipated when it was published in 1919 Reed s narrative remains as riveting today as when the events he describes were still reverberating throughout the world Reed was hardly a disinterested observer and his involvement in the Communist labor movement lends urgency and passion to his classic account He vividly describes events in Petrograd in November 1917 when Vladimir Lenin and the Bolsheviks stormed the Winter Palace and seized the reins of power Despite Reed s personal leanings which he made no attempt to hide the book garnered praise from luminaries across the political spectrum George F Kennan the American diplomat and father of the policy of Soviet

containment said that Reed s account of the events of that time rises above every other contemporary record for its literary power its penetration its command of detail It will be remembered when all others are forgotten Reed was committed to telling the story of the Russian revolution as truthfully as possible That the book was banned by Russian premier Josef Stalin is a testament to the author s success in carrying out his mission One hundred years after Russia and the world trembled Ten Days that Shook the World brings alive the momentous events of 1917 **Ten Days that Shook the World** John Reed,2006-09-08 An account of the November revolution in Russia Most of it deals with Red Petrograd *Esfir Shub Ilana Shub Sharp*,2021-12-30 Esfir Shub was the only prominent female director of nonfiction film present at the dawning of the Soviet film industry She was in fact the first woman both to write critical texts on cinema and then practically apply these theorisations in her own films As such her syncretism of cinema theory and praxis inspired her to ask questions regarding both the nature of nonfiction film such as the problem of authenticity and reality and the function of the artist in society issues which are still relevant in contemporary discussions about the documentary Accordingly this book demonstrates Shub s position not only as a significant filmmaker and recognised member of the early Soviet avant garde but also as a key figure in global cinema history Shub deserves recognition both as the founder and ardent promoter of the compilation film genre and as a pioneer of the theory and practice of documentary filmmaking **Approaching Recent World History Through Film** Scott C.M. Bailey,2021-05-06 Approaching Recent World History Through Film Context Analysis and Research explores the relationships between twentieth century world history and film by providing analysis of a diverse range of films organized by global history topics including war and conflict decolonization political economy and long distance travel This insightful

text describes how to analyze films as original historical sources and how to carry out research projects using films The text provides guidance on the types of world history films their conventions and how to analyze the historical arguments in movies Scott C M Bailey incorporates in depth discussions of the historical content and context of a wide range of international films connected with important twentieth century global history topics The book also offers many prompts for discussion historical timelines and suggestions for further reading and viewing as well as instructions on how to construct research papers and projects which employ the use of films as historical sources This book will be of interest to students in world history and film history courses    October ; And, Alexander Nevsky Sergei Eisenstein,1984    **October 1917** ,2000

John Reed,2013 Ten Days That Shook the World is a first hand account of the October Revolution in Russia in 1917 written by American journalist and socialist John Reed Ironically the book was banned in both the US and Russia being too socialistic for Americans and not Stalinist enough for Stalin Yet it holds up as one of the best books of the 20th century Reed wrote the book in a white heat over the course of a few weeks with nothing but a scattering of notes pamphlets and a little Russian dictionary Ten Days that Shook the World is a snapshot in time one that depicts an episode in history with    **The Current**
