Elas,2016-09-09 How do we know that we love that person and how do we know we are not making a wrong choice Should love be based on principles and right decisions and not purely on emotions Those are the central questions where *Catching Feelings* is based upon These are personal accounts of the authors experiences in life highlighting the sensitive and emotional experiences in love Those experiences that made us dance in the rain to hide the tears in our eyes the intoxicating feelings we get while dancing with a stranger the lonely feeling we get when we wake up alone after the wild rage last night and how ridiculous we feel about it This is a collection of written expressions that explore compelling themes of falling in and out of love coming undone intense emotions semitoxic relationships frustrations happiness being young and needing confirmation for everything wishful thinking and in some cases the unthinkable downfall But most of all this book is about love that was fragile and tentative *Revised MTB Grade 5 Term 8* Renu Anand & Anjali Chaudhry, LAN004000 BISAC
