

Of A Certain Age

William Basil Worsfold

Of A Certain Age:

If You Are Of A Certain Age Ct Meek,2024-11-28 Are you of a certain age Then this is not the book for you [Killers of a Certain Age](#) Deanna Raybourn,2023-08-15 Older women often feel invisible but sometimes that's their secret weapon They've spent their lives as the deadliest assassins in a clandestine international organization but now that they're sixty years old four women friends can't just retire it's kill or be killed in this action packed thriller by New York Times bestselling and Edgar Award nominated author Deanna Raybourn Billie, Mary, Alice, Helen, and Natalie have worked for the Museum an elite network of assassins for forty years Now their talents are considered old school and no one appreciates what they have to offer in an age that relies more on technology than people skills When the foursome is sent on an all-expenses paid vacation to mark their retirement they are targeted by one of their own Only the Board the top level members of the Museum can order the termination of field agents and the women realize they've been marked for death Now to get out alive they have to turn against their own organization relying on experience and each other to get the job done knowing that working together is the secret to their survival They're about to teach the Board what it really means to be a woman and a killer of a certain age

The Last of an Age Sooyong Kim,2017-12-01 In *The Last of an Age* Sooyong Kim explores the relationship between social change and the development of an Ottoman literary canon in the course of the sixteenth century by examining the work and reception of a popular poet Zati 1471-1546 Kim argues that a newly emergent group of bureaucratic literati through the production of authoritative biographical dictionaries ultimately relegated Zati to a lesser literary age driven by a self-fashioning that privileged broad linguistic ability above all else with poetry serving as the main vehicle for demonstrating that

This study is interdisciplinary in approach taking insights from literary studies cultural history and social theory It adds to the scholarship on the rise of early modern Ottoman canons in the fields of visual arts and music and complements recent work on court patronage Framed by ongoing critiques of canon formation among specialists of early modern Europe and late imperial China the study offers a comparative perspective on those issues

Jesus in an Age of Neoliberalism James G. Crossley,2014-10-20 *Jesus in an Age of Neoliberalism* analyses the ideology underpinning contemporary scholarly and popular quests for the historical Jesus Focusing on cultural and political issues the book examines postmodernism multiculturalism and the liberal masking of power The study ranges across diverse topics the dubious periodisation of the quest for the historical Jesus biblioblogging Jesus the Great Man and western individualism image conscious Jesus scholarship the Jewishness of Jesus and the multicultural Other evangelical and mythical Jesuses and the contradictions between personal beliefs and dominant ideological trends in the construction of historical Jesuses *Jesus in an Age of Neoliberalism* offers readers a radical revisioning of contemporary biblical studies

An Age of Infidels Eric R. Schlereth,2013-03-05 Historian Eric R. Schlereth places religious conflict at the center of early American political culture He shows ordinary Americans both faithful believers and Christianity's staunchest critics struggling with questions about the

meaning of tolerance and the limits of religious freedom In doing so he casts new light on the ways Americans reconciled their varied religious beliefs with political change at a formative moment in the nation's cultural life After the American Revolution citizens of the new nation felt no guarantee that they would avoid the mire of religious and political conflict that had gripped much of Europe for three centuries Debates thus erupted in the new United States about how or even if long standing religious beliefs institutions and traditions could be accommodated within a new republican political order that encouraged suspicion of inherited traditions Public life in the period included contentious arguments over the best way to ensure a compatible relationship between diverse religious beliefs and the nation's recent political developments In the process religion and politics in the early United States were remade to fit each other From the 1770s onward Americans created a political rather than legal boundary between acceptable and unacceptable religious expression one defined in reference to infidelity Conflicts occurred most commonly between deists and their opponents who perceived deists anti Christian opinions as increasingly influential in American culture and politics Exploring these controversies Schlereth explains how Americans navigated questions of religious truth and difference in an age of emerging religious liberty

Redefining Music Studies in an Age of Change Edward W. Sarath, David E. Myers, Patricia Shehan Campbell, 2016-09-13

Redefining Music Studies in an Age of Change Creativity Diversity Integration takes prevailing discourse about change in music studies to new vistas as higher education institutions are at a critical moment of determining just what professional musicians and teachers need to survive and thrive in public life The authors examine how music studies might be redefined through the lenses of creativity diversity and integration which are the three pillars of the recent report of The College Music Society taskforce calling for reform Focus is on new conceptions for existent areas such as studio lessons and ensembles academic history and theory theory and culture courses and music education coursework but also on an exploration of music and human learning and an understanding of how organizational change happens Examination of progressive programs will celebrate strides in the direction of the task force vision as well as extend a critical eye distinguishing between premature proclamations of mission accomplished and genuine transformation The overarching theme is that a foundational systemic overhaul has the capacity to entirely revitalize the European classical tradition Practical steps applicable to wide ranging institutions are considered from small liberal arts colleges to conservatory programs large research universities and regional state universities

Protestants in an Age of Science Theodore Dwight Bozeman, 2012-12-01 Since Princeton College and Princeton Seminary were major radii of Realist influence the conservative Presbyterianism headquartered there is an ideal choice for a case study in the American impact of Baconianism Presbyterian thinkers already committed to a synthesis of Protestant religion and Newtonian science were afforded with additional means of elaborating a doxological version of natural science and of defending it against naturalism and other enemies of Christian faith Originally published in 1977 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books

from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value Copyright Law in an Age of Limitations and Exceptions Ruth L. Okediji,2017-03-30 In this book leading scholars analyze the important role played by copyright exceptions in economic and cultural productivity An Age Dependent, Absorbing, Semi-Markov Model of Post-entitlement Work Histories of the Disabled Beneficiaries John C. Hennessey,United States. Social Security Administration. Office of Research and Statistics,1980 Verification in an Age of Insecurity Philip D. O'Neill (Jr.),2010 Verification in an Age of Insecurity takes the reader into some of the most urgent arms control issues facing the world community including the nuclear activities of rogue states and threats from sophisticated non state actors In the book national security expert Philip D O Neill Jr identifies and addresses issues from the resuscitated disarmament agenda from the comprehensive test ban to fissile material and biological weapons O Neill examines the need for shifts in verification standards and policy suitable for our volatile era and beyond it He surveys recent history to show how established verification procedures fail to produce the certainty necessary to meet today s threats Verification in an Age of Insecurity goes beyond a discussion of rogue states like North Korea to offer suggestions on how best to bring compliance policy up to date with modern threats **A Certain Age** Allen Crisp,E. J.
