## Of Work And Worth:

Is Your Work Worth It? Christopher Wong Michaelson, Jennifer Tosti-Kharas, 2024-05-07 What is work that's worth doing in a life worth living A revealing exploration of the questions we ask and the stories we tell about our work According to recent studies barely a third of American workers feel engaged at work and for many people around the world happiness is lowest when earning power is highest After a global pandemic that changed why how and what people do for a living many workers find themselves wondering what makes their daily routine worthwhile In *Is Your Work Worth It* two professors a philosopher and organizational psychologist investigate the purpose of work and its value in our lives The book explores vital questions such as Should you work for love or money When and how much should you work What would make life worth living in a world without work What kind of mark will your work leave on the world This essential book combines inspiring and harrowing stories of real people with recent scholarship ancient wisdom arts and literature to help us clarify what worthy work looks like what tradeoffs are acceptable to pursue it and what our work can contribute to society *Work Worth Doing* Tom Heetderks, 2020-04-07 Find More Than Just a Job Are you in college just starting in the workforce or simply trying to figure out what to do with your life Keep reading We all need to pay bills and keep a roof over our head but real satisfaction comes when we pursue careers filled with meaning and purpose according to God's plan for our lives No matter where you're at now you can find that kind of fulfillment in a career This book will show you how Here's a hint It's less about the kind of work you do but how you do it and whom you're doing it for Once you understand the why behind work you'll be able to move forward in a career with confidence be prepared to embrace change and be equipped to approach your job with a whole heart one that is fully submitted to God and ready for what He's called you to do That is truly work worth doing
