CENTURY OF SPY FICTION REFLECTIONS ON THE GENRE brings together Nader Elhefnawy's writings on that subject. From the birth of the spy story in the marriage of detective fiction with the invasion story to the genre's post Cold War travails from the forgotten but hugely important adventures of the original international man of mystery Duckworth Drew to the age of Jack Ryan this revised and updated second edition of the book trace the broader history of the field while peering at many a keyhole to see just what has been going on all the while in this often mysterious genre about mystery ***The Versatility of Chairs*** E.G. Pizzella, 2014-12-30 This book is about the struggles of Italian immigrants in Hartford Connecticut back in the 1930s and growing up as the son of Italian immigrants. It's about coping with poverty and a hostile environment and surviving. It's about family love, parenting and instilling sound principles in our young. It's about self-reliance and self-esteem, establishing worthy goals and working hard and applying raw determination to attain those goals. It's about the importance of education and the need to become directly involved in local government and community affairs. It's about laughing, learning and improvising. It's about community theatre, about searching for and developing hidden talents, about devoting untold quantities of energy and applying imagination and fantasy to the creation of theatrical illusions and imagery. It's about the immense satisfaction one can derive from striving to become proficient as an actor, director and producer of live theatre. And finally it's about magically transforming the flaccid and inert written word into vital third dimensional action and from the empathy thereby produced experiencing the exhilarating power and gratification returned by an appreciative audience. **Sequels** Janet G.
