F. Campbell,1953 [Back to Billabong](#) Mary Grant Bruce,2022-08-15 In Back to Billabong Australian author Mary Grant Bruce transports readers to the pastoral landscapes of early 20th century Australia Part of the beloved Billabong series which chronicled the adventures of the Linton family this particular installment continues to blend vivid depictions of rural life with elements of drama romance and humor Bruce s literary style is characterized by its engaging narrative voice and rich descriptive passages that reflect her deep appreciation for the Australian bush Her work stands as a testament to Australian children s literature of the era showcasing the social and cultural dynamics of the time within her captivating prose Mary Grant Bruce born in 1878 was a pioneering

figure in Australian literature Her extensive body of work was often inspired by her upbringing and experiences in the Australian countryside and she became renowned for her portrayal of the outback its values and the rugged resilience of its people The Billabong series beginning with *A Little Bush Maid* published in 1910 was informed by Bruce s own life and her desire to instill a sense of national pride and self identity through her storytelling Recommended for readers both young and old who are drawn to the warmth and nostalgia of classic children s novels *Back to Billabong* is more than mere entertainment it is a literary journey into Australia s past Mary Grant Bruce s work offers a window to the pioneering spirit and is an important part of the country s cultural heritage This new edition from DigiCat Publishing ensures that the legacy of the Billabong series remains available to inspire another generation with its timeless charm and enriching tales [White Vanishing](#) Elspeth Tilley,2012-01-01 The story of the vulnerable white person vanishing without trace into the harsh

Australian landscape is a potent and compelling element in multiple genres of mainstream Australian culture It has been sung in *Little Boy Lost* brought to life on the big screen in *Picnic at Hanging Rock* immortalized in Henry Lawson s poems of lost tramps and preserved in the history books tales of Leichhardt or Burke and Wills wandering in mad circles A world wide audience has also witnessed the many layered and oddly strident nature of Australian disappearance symbolism in media coverage of contemporary disappearances such as those of Azaria Chamberlain and Peter Falconio *White Vanishing* offers a revealing and challenging re examination of Australian disappearance mythology exposing the political utility at its core Drawing on wide ranging examples of the white vanishing myth the book provides evidence that disappearance mythology encapsulates some of the most dominant and durable categories at the heart of white Australian culture and that many of those ideas have their origin in colonial mechanisms of inequality and oppression *White Vanishing* deliberately and perhaps controversially reminds readers that while power is never absolute or irresistible some narrative threads carry a particularly authoritative inheritance of ideas and power relations through time

The Bookseller ,1911 *Australian Children's Books: 1774-1972* Marcie Muir,Kerry White,1992 Volume One of reference work listing all children s books by Australians together with children s books about Australia from 1774 to 1972 Entries provide physical descriptions dates publishers illustrations awards received and in some cases remarks on the content Entries are arranged by author Title and illustrator indexes are included *Bookseller and the Stationery Trades' Journal* ,1911 **The Bookman** ,1911 **The Academy and Literature** ,1911 **A Little Bush Maid** Mary Grant Bruce,1981 **The Lone Hand** ,1913 **New South Wales Railway and Tramway Magazine** ,1922 **Bookfellow** ,1913 *The Publishers' Circular and Booksellers' Record* ,1922
