Masters Johnson Explained:

Masters and Johnson Explained William H. Masters, Virginia E. Johnson, 1970 Masters and Johnson Explained William Howell Masters, Virginia Eshelman Johnson, 1976 **The Etherized Wife** Leslie Margolin, 2021 The Etherized Wife provides a comprehensive examination of the evolution of sex therapy through the prism of gender The book makes the argument that in sex therapy like other domains of life in which men set the standard of normality women have been judged normal to the degree they match men's expectations What is particularly striking about this bias is that it contradicts therapists' overt identification with feminism and the battle against women's inequality To support these claims Leslie Margolin maps a series of case studies drawn from the discipline's own literature the articles and books that have been and continue to be treated as exemplars of the discipline's collective consciousness Through examination of case studies which focus on discrepancies in sexual desire where the man wants more sex and the woman less the book shows how therapists have favoured the man's side The Etherized Wife shows how the sex therapy discipline has unintentionally enshrined male sexuality as the model of normal natural healthy sexuality The English Dictionary from Cawdrey to Johnson 1604-1755 De Witt T. Starnes, Gertrude E. Noyes, 1991-07-26 This study by Starnes and Noyes was immediately recognized as a unique and pioneering work of scholarship and has long been the standard work on the emergence and early flowering of English lexicography Within the last 20 years we have been witnessing a remarkable scholarly interest in the study of dictionary making and the role played by dictionaries in the transmission and preservation of knowledge and learning It is therefore essential to have this classic work available again to all students of linguistic history In its new edition the book has been vastly enhanced by a lengthy and invaluable introduction by Gabriele Stein Professor of English Linguistics in Heidelberg and author of The English Dictionary before Cawdrey 1985 In her introduction to the present volume she sets out in scholarly detail the work that has emerged since 1946 which makes this study of the English dictionary from Cawdrey to Johnson as complete as the original authors themselves would have wished Exploring the Dimensions of Human Sexuality Jerrold Greenberg, Clint Bruess, Sarah Conklin, 2010-03-10 Exploring the Dimensions of Human Sexuality Fourth Edition addresses all aspects of sexuality biological spiritual psychological and sociocultural and presents the information both factually and impartially Throughout the text students will find an emphasis on health and well being based on the assumption that we are all sexual beings and that sexuality should be viewed in its totality Students are encouraged to explore the varied dimensions of human sexuality and see how each affects their own personal sexuality sexual health and sexual responsibility **Mutual Contempt: Lyndon Johnson, Robert Kennedy, and the Feud that Defined a Decade** Jeff Shesol, 1998-10-17 Mutual Contempt is at once a fascinating study in character and an illuminating meditation on the role character can play in shaping history Michiko Kakutani New York Times Lyndon Johnson and Robert Kennedy loathed each other Their antagonism propelled by clashing personalities contrasting views and a deep abiding animosity would drive them to a bitterness so deep

that even civil conversation was often impossible Played out against the backdrop of the turbulent 1960s theirs was a monumental political battle that would shape federal policy fracture the Democratic party and have a lasting effect on the politics of our times Drawing on previously unexamined recordings and documents as well as memoirs biographies and scores of personal interviews Jeff Shesol weaves the threads of this epic story into a compelling narrative that reflects the impact of LBJ and RFK s tumultuous relationship on politics civil rights the war on poverty and the war in Vietnam As Publishers Weekly noted This is indispensable reading for both experts on the period and newcomers to the history of that decade An exhaustive and fascinating history Shesol s grasp of the era s history is sure his tale often entertaining and his research awesome Russell Baker New York Review of Books Thorough provocative The story assumes the dimensions of a great drama played out on a stage too vast to comprehend Jonathan Yardley Washington Post 1997 Critic s Choice This is the most gripping political book of recent years Arthur Schlesinger Jr A New York Times Notable Book of the Year **The**
