Mormon Athletes II:

Mormon Athletes II William T. Black,1982 **Can Mitt Romney Serve Two Masters?** Tricia Erickson,2011-06-10

Part I Mitt Romney is both a participant and victim of the Mormon Religion Mormonism is a well masked cult that enslaves the minds of those raised in it Did you know that Mitt Romney truly believes when he leaves this earth he will become a literal God equal to Jesus Christ and be awarded his own planet to Lord over Mitt will call his wife Ann onto his planet in order to have continuous celestial sex to populate it with spirit babies who will then pop down be reborn to earthy mothers in order to walk out their own eternal progression to Mormon Godhood This is not a joke How can we trust the judgment of someone who truly believes these things And it s important for you to know that Senator Romney MUST follow the false prophet of the Mormon Church first above all else and blindly obey him In addition Part 2 of this book reveals the astounding truth of Mitt Romney s liberal political record and why his background is better suited to the Democrat Party Romney will be a thorn in President Trump s side for the duration of his Presidency Mitt will do everything he can to destroy Trump from within while elevating himself at every turn all the while planning another future run for the OFFICE OF THE PRESIDENCY OF THE UNITED STATES OF AMERICA *Subject Catalog* Library of Congress, **Sports** Donald L. Michael Quinn,1997 The Mormon church today is led by an elite group of older men nearly three quarters of whom are related to current or past general church authorities This dynastic hierarchy meets in private neither its minutes nor the church s finances are available for public review Members are reassured by public relations spokesmen that all is well and that harmony prevails among these brethren But by interviewing former church aides examining hundreds of diaries and drawing from his own past experience as an insider within the Latter day Saint historical department D Michael Quinn presents a fuller view His extensive research documents how the governing apostles seventies and presiding bishops are likely to be at loggerheads as much as united These strong willed independent men like directors of a large corporation or supreme court justices lobby among their colleagues forge alliances out maneuver opponents and broker compromises There is more clandestine political activities investigative and punitive actions by church security forces personal loans from church coffers later written off as bad debts and other privileged power vested activities Quinn considers the changing role and attitude of the leadership toward visionary experiences the momentous events which have shaped quorum protocol and doctrine and day to day bureaucratic intrigue from the time of Brigham Young to the dawn of the twenty first century The hierarchy seems at root well intentioned and even at times aggressive in fulfilling its stated

responsibility which is to expedite the Second Coming Where they have become convinced that God has spoken they have set aside personal differences offered unqualified support and spoken with a unified voice This potential for change when coupled with the tempering effect of competing viewpoints is something Quinn finds encouraging about Mormonism But one should not assume that these men are infallible or work in anything approaching uninterrupted unanimity **Dialogue**, 1989 A journal of Mormon thought
