Morrisville Roy Crazy Horse, 2002-01-01 **That the Blood Stay Pure** Arica L. Coleman, 2013-10-18 *That the Blood Stay Pure* traces the history and legacy of the commonwealth of Virginia's effort to maintain racial purity and its impact on the relations between African Americans and Native Americans Arica L Coleman tells the story of Virginia's racial purity campaign from the perspective of those who were disavowed or expelled from tribal communities due to their affiliation with people of African descent or because their physical attributes linked them to those of African ancestry Coleman also explores the social consequences of the racial purity ethos for tribal communities that have refused to define Indian identity based on a denial of blackness This rich interdisciplinary history which includes contemporary case studies addresses a neglected aspect of America's long struggle with race and identity *Lenape Country* Jean R. Soderlund, 2026-02-10 In 1631 when the Dutch tried to develop plantation agriculture in the Delaware Valley the Lenape Indians destroyed the colony of Swanendael and killed its residents The Natives and Dutch quickly negotiated peace avoiding an extended war through diplomacy and trade The Lenapes preserved their political sovereignty for the next fifty years as Dutch Swedish Finnish and English colonists settled the Delaware Valley The European outposts did not approach the size and strength of those in Virginia New England and New Netherland Even after thousands of Quakers arrived in West New Jersey and Pennsylvania in the late 1670s and 80s the region successfully avoided war for another seventy five years *Lenape Country* is a sweeping narrative history of the multiethnic society of the Delaware Valley in the seventeenth and early eighteenth centuries After Swanendael the Natives Swedes and Finns avoided war by focusing on trade and forging strategic alliances in such events as the Dutch conquest the Mercurius affair the Long Swede conspiracy and English attempts to seize land Drawing on a wide range of sources author Jean R Soderlund demonstrates that the hallmarks of Delaware Valley society commitment to personal freedom religious liberty peaceful resolution of conflict and opposition to hierarchical government began in the Delaware Valley not with Quaker ideals or the leadership of William Penn but with the Lenape Indians whose culture played a key role in shaping Delaware Valley society The first comprehensive account of the Lenape Indians and their encounters with European settlers before Pennsylvania's founding *Lenape Country* places Native culture at the center of this part of North America *The John Coltrane Reference* Lewis Porter, Chris DeVito, David Wild, Yasuhiro Fujioka, Wolf Schmalzer, 2013-04-26 The BBC's Jazz Book of the Year for 2008 Few jazz musicians have had the lasting influence or attracted as much scholarly study as John Coltrane Yet despite dozens of books hundreds of articles and his own recorded legacy the facts about Coltrane's life and work have never been definitely established Well known Coltrane biographer and jazz educator Lewis Porter has assembled an international team of scholars to write *The John Coltrane Reference* an indispensable guide to the life and music of John Coltrane The *John Coltrane Reference* features a day by day chronology which extends from 1926 1967 detailing Coltrane's early years and every live performance given by Coltrane as either a sideman or leader and a

discography offering full session information from the first year of recordings 1946 to the last 1967 The appendices list every film and television appearance as well as every recorded interview Richly illustrated with over 250 album covers and photos from the collection of Yasuhiro Fujioka The John Coltrane Reference will find a place in every major library supporting a jazz studies program as well as John Coltrane enthusiasts *Hidden History of Bucks County* Jennifer Rogers,2019-02-11 Bucks County was an original county in William Penn s newly formed Pennsylvania province and has carried the weight of history ever since Join author Jennifer Rogers as she recounts the lesser known history of Bucks County Industrial power in the region expanded in the late 1700s as Irish laborers sacrificed life and limb to construct a section of the Pennsylvania Canal and the Durham Furnace In 1921 a gruesome train wreck claimed the lives of twenty seven people forever leaving its tragic mark on the busy rail lines emerging from Philadelphia Raised a Quaker in Doylestown James A Michener went from local English teacher to Pulitzer Prize winning author leaving his philanthropic mark at the art museum named for him *History of Chautauqua County New York and its People* John Phillips Downs,1921 *History of Chautauqua County, New York, and Its People* John Phillips Downs,Fenwick Y.
