## **Moscow Miracles:**

**Moscow Miracles** Mark Finley, Ronald Halvorsen, 1993-01-01      **Miracles All Around Us** John Van Diest, 2016-05-01

Miracles All Around Us is an encouraging reminder that God continues to work in unexpected ways to reveal Himself to us. Believers and skeptics alike will be inspired by these true tales of answered prayers, miraculous events, evidences of divine intervention and interactions with mysterious helpers. This collection includes contributions from popular Christian authors such as Billy Graham, Philip Yancey, Bruce Wilkinson, and Ron Rhodes. These true life stories of heaven touching earth will fill you with the hope and assurance that not only is God active in the world today but He is intimately involved in your life as well.      *The Miracle*, 1929      *Miracles in the New Testament* James Matthew Thompson, 1911      *Framing Mary* Amy Singleton Adams, Vera Shevzov, 2018-04-24

Despite the continued fascination with the Virgin Mary in modern and contemporary times, very little of the resulting scholarship on this topic extends to Russia. Russia's Mary, however, who is virtually unknown in the West, has long played a formative role in Russian society and culture. *Framing Mary* introduces readers to the cultural life of Mary from the seventeenth century to the post-Soviet era. It examines a broad spectrum of engagements among a variety of people: pilgrims and poets, clergy and laity, politicians and political activists, and the woman they knew as the Bogoroditsa. In this collection of well-integrated and illuminating essays, leading scholars of imperial Soviet and post-Soviet Russia trace Mary's irrepressible pull and inexhaustible promise from multiple disciplinary perspectives. Focusing in particular on the ways in which both visual and narrative images of Mary frame perceptions of Russian and Soviet space and inform discourse about women and motherhood, these essays explore Mary's rich and complex role in Russia's religion, philosophy, history, politics, literature, and art. *Framing Mary* will appeal to Russian studies scholars, historians, and general readers interested in religion and Russian culture.      *Voices of War* Donna Orwin, 2025-10-30

*Voices of War: The Russian Experience* is a collection of historical literature containing pieces that focus on the mentality of warriors and observers of war in Russian culture over time and the attitude of society toward war and warriors. The first volume of this two-volume series includes records from the Kievan Rus to the nineteenth century, providing a wealth of understanding about how Russians viewed their experience of war.      *The Life of Frederick Denison Maurice* Frederick Denison Maurice, Sir John Frederick Maurice, 1885

The present is not an abridged edition of my father's life. With some trifling exceptions such as the suppression of the preface to the last edition, which referred to matters of only passing interest, it is textually the same as the last Preface to the 4th edition.      **Contours of European Adventism** Stefan Höschele, Chigemezi N. Wogu, 2020-01-16

*Contours of European Adventism* offers scholarly articles based on papers presented at the 3rd International Symposium organized by the Institute of Adventist Studies of Friedensau Adventist University, Germany, April 23-26, 2018. It also contains the first comprehensive bibliography of Adventism in Europe. The contributions represent a wide range of Adventist historical scholarship in Europe.
